And Spring Shall Come . . .

When winter's frost bites
and hearts are cold,
spring shall bring
warmth.

Hopes are waiting for
the joy and beauty
of things living.

Spring shall come —
for those who
love life.

Beauty . . .
Is Spring Itself.

Beautiful people are the
foundation for
wonderful things.

Skyline has everything it
takes to achieve those things
for special memories.

Spring shall bring warmth
and beauty —
to make you live and love.

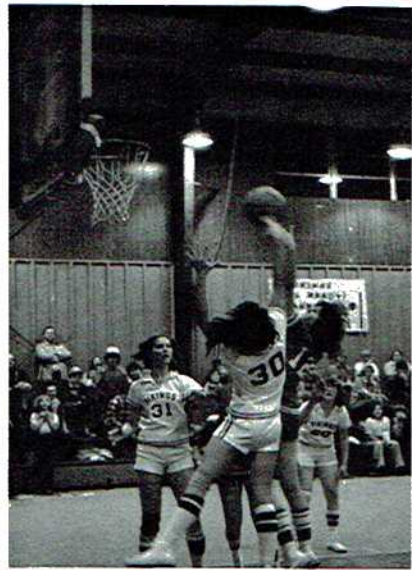

Being Alive . . .

is what life is all about.

Running, jumping, and reaching
for all the things that
make you number one:
are the keys
to victory.

Life is a victory if you
go after it with everything
you've got.

Spring brings success.

Success And Glamour

are the results
of playing the game
with perfection.

Spring shall come and be the
ultimate phase of being perfect.

Being yourself in all that you
attempt will bring growth to all.

Growing is what spring continues to be.

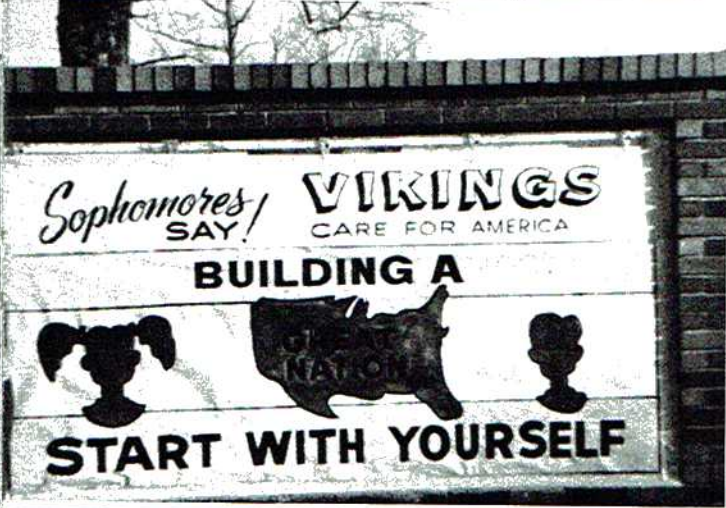

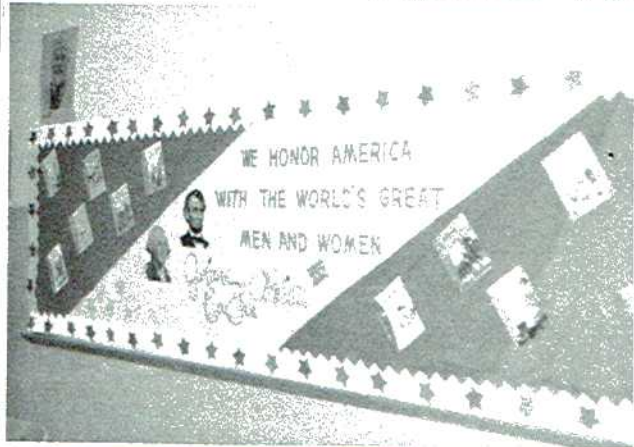

Spring Awakens Sophomores . . .

Making them realize how great it
can be to be in love
with living.

They're running, dancing, and
full of energy; Spring lets
them open up and see
life as a party.

Juniors Get Into Life . . .

Spring keeps them busy, letting them express how super it is to be alive.

They start to make their dreams become realities and show the world that they are on their way to the top.

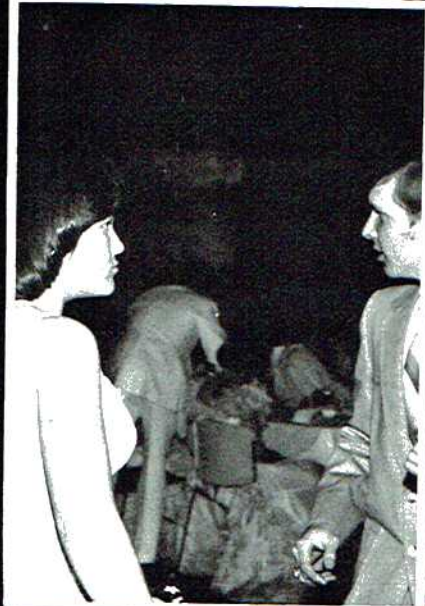

Seniors Stand Ready And Waiting . . .

Ready to begin their journey through the seasons of life.

Their Spring is full of growing and turning into beautiful butterflies wanting to experience life to its fullest.

Spring Is Beauty At Its Best . . .

Spring is all the great things
in life rolled up in one season.

Spring makes people wake up and
realize
how beautiful everything is . . .
in its own way.

Skyline.

You've been the center of our lives for twelve long years and we've profited from that experience. Nothing in the years to come can replace the good times we've had growing up. Of course, we are leaving because we're prepared, we're ready for our step into the world. We've come a long way, and we've got a long way to go, but here we come!

We won't expect you to remember us all the time, but perhaps your high school days will be a reflection of the fun that we had. Hopefully, we are the examples you look upon for leadership and guidance through your school days.

Just as spring shall come and leave her mark on life, we have been here and created our atmosphere. Now we're moving on to the spring of life.

Spring Is A Hello

Good-byes are for those who refuse to greet the world with open arms.

Spring brings a smile . . . and opens up the cold heart for life.

Spring Makes Seniors Meet Life

Head-on, they've got to leave things
behind and face the world.

High school has been a great
experience, life holds much more.

I hope you have enjoyed turning the pages of The Viking '80 because it has been a joy for me and the entire yearbook staff to present this book to you.

I hope that in years to come this book will bring back the feeling that spring has once again entered into your life.

Love,
Jill
