A vibrant birthday card featuring a torn white paper effect. The background is filled with colorful balloons in shades of green, red, purple, yellow, and pink. The scene is decorated with multi-colored confetti and streamers. A purple ribbon at the bottom contains the word 'VIKING' in gold capital letters.

DEDICATION

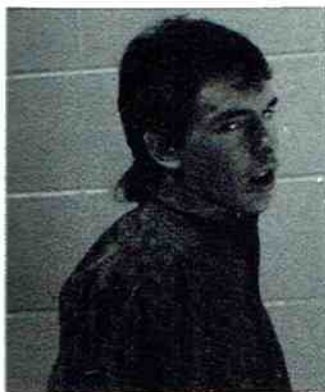

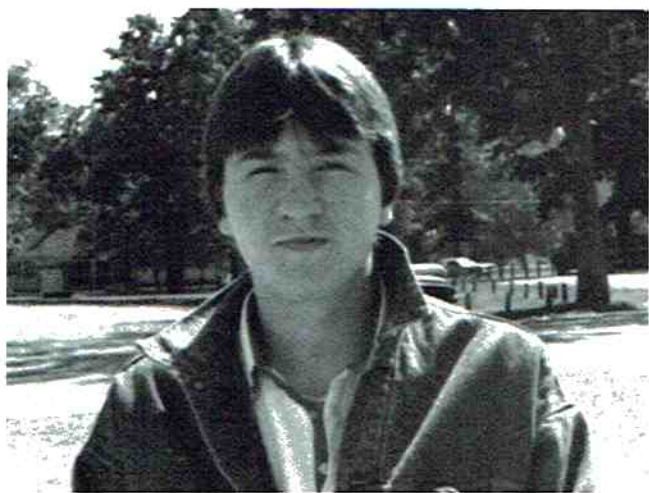

The 1988 Viking Annual Staff would like to dedicate this annual to Mrs. Liz Bellomy for her hard work and constant help; not only to the annual staff, but also to the entire student body and faculty. We would like to thank her for her dedication, loyalty, and support. Liz is more than a secretary, she is our friend.

Class Prophecy

The time is the year 1998 and the 1988 Seniors are at their ten year class reunion. Let's take a trip through time and imagine ourselves as a fly on the wall. The Seniors have told who they are and what they are now doing. Luckily, we have a written account of their activities. They are as follows:

Vicki Avans is now head waitress at Western Sizzlin. On weekends Vicki performs her Liberace-like piano concerts at Carnegie Hall.

Brian Scivally now sells peanuts at the Atlanta Hawks basketball games. He also earns money doing his David Letterman impression.

David Helms is now a TV evangelist and is taking for \$20 million before the year 2000 or he will not be able to build his Prayer Tower of Power due to a sugar coma.

Jon Sanders has worked his way through the farm system of the Atlanta Braves and is now their official bat boy.

Andy Campbell has defected to Russia after being stationed at the U.S. Embassy in Moscow. He is now a part-time brick layer at the Kremlin.

Clinton McAllister is just as successful as everyone thought he would be. He is Police Chief/Mayor/Fire Chief/Postmaster of the metropolis Pleasant Grove.

Lacinda Smith is now a country superstar after being discovered by a Nashville agent. She is best known for having a greasier ponytail than Willie Nelson.

Archie Rackler is an architect now designing a new ski resort on Pluto, and a tanning spa on Mercury.

Wesley Cornelison has married, divorced, married, divorced, and again married Rhonda. They now have one child from each marriage making a total of three. Wesley supports his family by operating a used car lot called "Lights-R-Us."

Janice Waldrop finally learned to drive a 5-speed car. She also married Larry Byrd and now they have three baby Byrds all already over six feet tall.

Stanley Baugh now owns a major chain of Captain B's. On the side he teaches mechanical drafting at Drake Technical College.

Recently out of high school, Andy Carlson was promoted to manager at Food World. Due to his new found fame on the Addams Family, the name was changed to Lurch World.

Clara Dean is now head librarian at Skyline High School. She still carries on the tradition of saying "Cut the chatta!"

Buster Scott went AWOL from the army, and is now living under the alias of Homer Quisinberry.

Roger Johnson now has a \$3 million collection of baseball cards. However, he is living in poverty because he won't sell.

Angela Latham has been married to David for ten years now and has her own brood to tend to.

Luther McAllister now owns a partially wrecked Harley. He was recently arrested for throwing smelly socks at the current Skyline policemen.

Jerry McAllister is now the head bag boy at Foodland. He recently got a 50 cent an hour raise.

Beth McAllister passed her CPA State Boards five years ago, and is now making half a million dollars a year. When asked what she attributes her success to, she says it was economics under Mr. Whitaker.

Charles Manning plays for the Chicago Bulls, after being benched for two years. He has taken Michael Jordan's place at the position of guard. He was recently hospitalized for biting off the tip of his tongue in imitation of Jordan.

Wesley does not hold the record for marriages and divorces. During a party recently, Rita Moody admitted she named her oldest son after all her previous boyfriends. The boy's name is Christopher Kyle Gregory Timothy Terry. They call him Hank.

Angie Fowler was recently promoted to captain. She is the first female captain in the United States Navy. When asked what she attributes her success to, Angie replied, "I smiled a lot!"

Georgina, Theresa, and Lisa are still at Jacksonville State University. They have just successfully completed freshman biology due to the constant tutoring of Mr. K. They now hold record for the longest number of years in undergraduate school.

Jim Pace married straight out of high school. He is the proud father of six boys. Jim's hair is now gray from "paying for his raising."

Janie Parker is still married to Kelvin, and still living in the one bedroom apartment. She supports her four unplanned daughters by slinging food at Wendy's.

Denis Potter was recently seen in the car with Jim and Lisa reliving high school days. He was home on leave from the Air Force where is a pilot instructor at Top Gun School.

Rhonda Sims runs Skyline Day Care Center. The majority of her students are Rita's, Angela's, Wesley's, and Jim's kids.

Joey West is now half-owner in Toby, Noble, and West Trucking. He was recently home from a run from California where he hauled a load of Go-jo.

Shannon Sharp published her first novel called FAST TIMES AT SKYLINE HIGH. Although she changed the names to protect the innocent, several of the characters closely resembled hers, Janie's, Janice's, and Angie's trips to the library.

Eric Scroggins was recently in town performing at D.J.'s. He does a comedy routine of horse imitations, then sings his rendition of all of Elvis' old songs.

Wendy Bowen has become a famous author of love stories. She also does freelance drafting. She is currently working on an autobiography and plans for the Hytop Galleria.

Susie Stockman taught English for five years at dear old SHS and had herself admitted to an insane asylum. She is often caught singing "Sometimes I Feel Like a Nut, Sometimes I Don't."

Jay Walden is currently running for his second term as President of the United States. His motto is "Don't say much and grin alot." Jay's experience as Senior Class president has helped him tremendously.

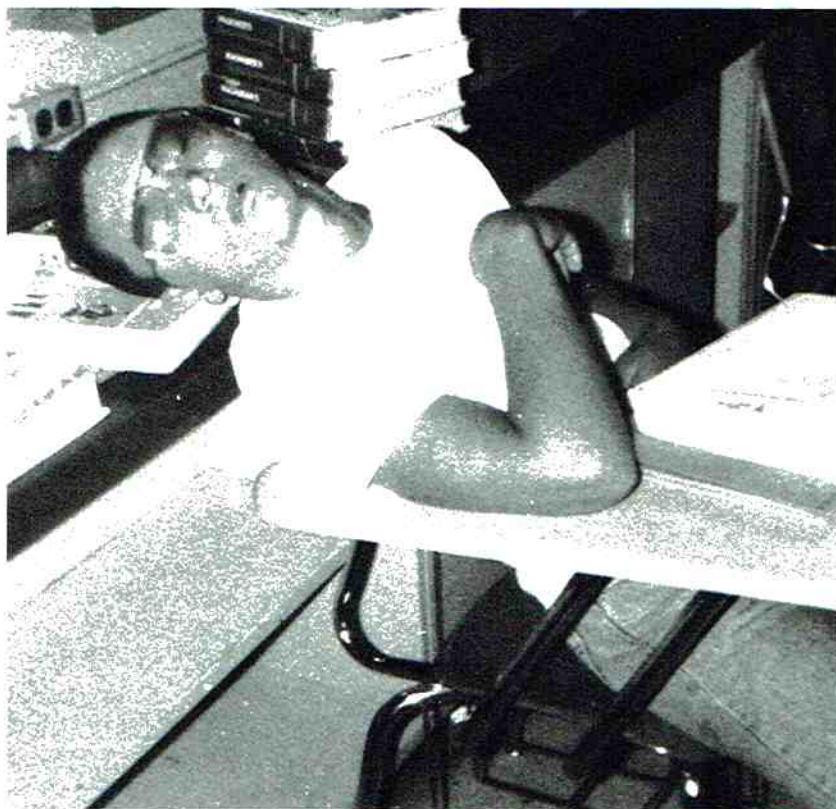

The test is TODAY?

She did WHAT?

You've got to be kidding!

I went to school for THIS!

Here we go again.

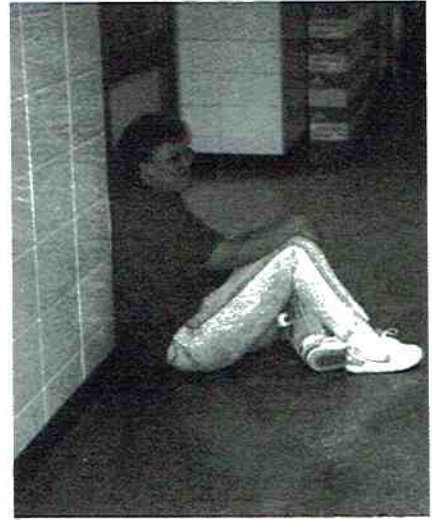

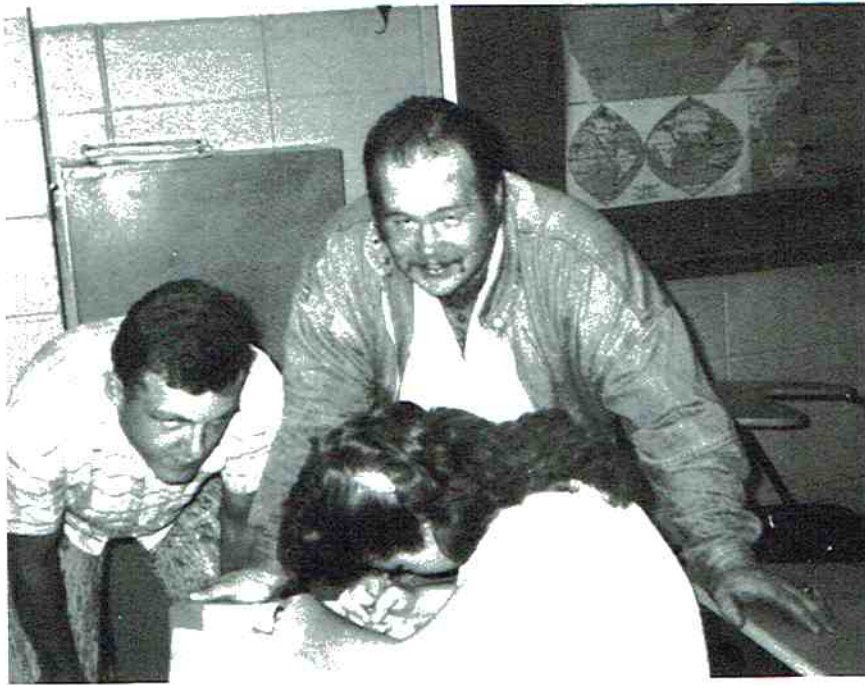

Stop me before I do it again.

WHY ME?

Are we having fun yet?

Student body and faculty,

Thank you for your undying support for the annual staff this year. We have worked extremely hard to make the *VIKING* '88 special for you. I hope the annual will bring back fond memories of your high school years. I personally would like to thank the Annual staff and Mrs. Jones for their long hours and hard work. Thanks for making my last years in high school the best years of my life.

Sincerely,

**Lacinda Smith
