Tina

Tina enjoys playing basketball, shopping, and spending time with her friends. When asked who she felt has inspired her the most she replied "The many different faculty members who have encouraged me, and helped throughout my twelve years at Skyline." When asked what was her favorite thing about Skyline, she said, "The relationship between the teachers and students makes each person feel like a 'somebody' instead of just another student." Living in the "Roaring 20's" would be thrilling and exciting responded Tina when asked what other time period she would live in if she could. After high school Tina plans to attend college and enter a career in law.

Becky

Becky enjoys reading, cross-stitching, and "studying" (right Becky). In Becky's free time she likes to spend times with her friends, and go shopping. When asked who she felt has inspired her most she replied "Mrs. Blackmon." Becky says that the injustice, and inequality in the world would be the one thing she would change if she could. After high school Becky plans to attend college and start a family. When asked how she felt about being a senior class beauty, she replied, "I feel honored that my friends respect me enough to elect me."

As the world faces the turn of the century the 1990 Seniors are preparing for their ten year reunion. Below is an account of all their actions over the last decade.

Russell Peek is now playing major league baseball for the Skyline Rascals, which is sponsored by his mother's beauty shop.

Gary Woodall is now a driver's ed. instructor and all of his students are following in his footsteps.

Jason West, Casey Culver, and Danny Avans have now released a follow-up movie to "The Three Amigos," it is called "The Three Igmos."

Donna Guinn is now the proud mother of ten kids. When asked what she thought about this great experience, her reply was, "I couldn't HEP It!"

David Dunlap is now working at the Skyline General Hospital as the head ear surgeon, and Kim Hall as his assisting nurse.

Greg Buckner, Robert Selvage, and Kevin Sanders have formed their own band called, "The Chill Dogs."

Rhonda Dean has followed in her father's footsteps by taking on the family business and has become the first Logger Queen USA.

Steven Rouse is now caretaker of Graceland where his hero "Evis" once lived.

Jason Venable owns his own chain of pizza parlors, where he specializes in pepperoni.

Kevin Cain is now the proud grandfather of triplets, he supports his family by running West Manuf. where his biggest pet peeve is being late.

Stephanie Westmoreland is now the proud owner of a chain of clothing stores named "Midgets R Us"

Valerie Lee is now caretaker of Skyline's incompetent adult center.

Dennis Potter now owns his own building supply store called Dr. P.s.

Tina Arnold has just recently opened her own law firm. She named it "Skyline Law." Most of her clients were fellow classmates in high school.

Kevin Miller is now the general manager of Piggly Wiggly. However, he still makes \$3.80 an hour. Therefore he and his family of 8 are having to live with his mom and dad.

Ronald Davis recently purchased a transmission shop. He decided after all of the transmission problems he has had he would save money by buying the shop and doing his own repairs.

Pam Buckner recently married AxI Rose. They are currently on their U.S. tour.

Dewayne Dalton is the owner of a chain of Auto Parts stores called "Daisy's Place."

Brian Peppers is still attending Wallace State. He hopes to graduate within a year or two but if he doesn't it will not bother him. He figures the longer he's there, the more he gets to party.

Lance Bellomy just inherited Ike's feed store. He has hired Slade Bellomy to do the manual labor for him.

Brian Bellomy has finally graduated from Belhaven and was drafted by the Pros. and now he is an engineer by day and a professional ball player by night.

John Wright has recently completed a U.S. tour to promote his new novel "Skyline Mountain PTA."

Hollie Charters is now listed in the Guinness Book of World Records as the person to talk the loudest and longest. She broke loose talking and now no one can get her to shut up.

Kyle Shelton recently won the Indy 500 in the famous Buick he drove in high school.

Chris Knight is a lonely bachelor and still lives with his mom & dad. But he hasn't given up hope. He appears weekly on Love Connection.

Cindy Countryman is lead singer for Skyline's quartet. Her first album was a success and it made her millions.

Jody Gray is now a professional basketball player for the Pleasant Grove Amazons.

Heath Smith appears weekly on Skyline Cable News Network. He is the host of "Hunting with Heath."

Cynthia Hill recently opened her 4th cosmetic store. She now does weekly makeovers for all of Skyline's famous folks.

Tim Adkins is co-owner of Skyline's dance hall. He offers free lessons to anyone interested in learning how to do the Pee Wee Herman.

Michelle Jones has returned to dear old Skyline High. She is head coach of the girls basketball team. She credits all of her success to her former Coach, "Ears" West.

Stephanie's hobbies are talking on the phone, listening to the radio, swimming, and playing a game of softball. In her spare time she enjoys spending time with her inspiring friends and family. If there was anything she could change in the world, it would be the problem of child abuse. If she could change anything about herself, it would be her attitude toward her school work. Stephanie's future hopes and dreams are to go to college and to be able to succeed in life. When Stephanie was asked what does it mean to you to be a class beauty, she replied, "It is a great honor to be chosen by my class."

Stephanie

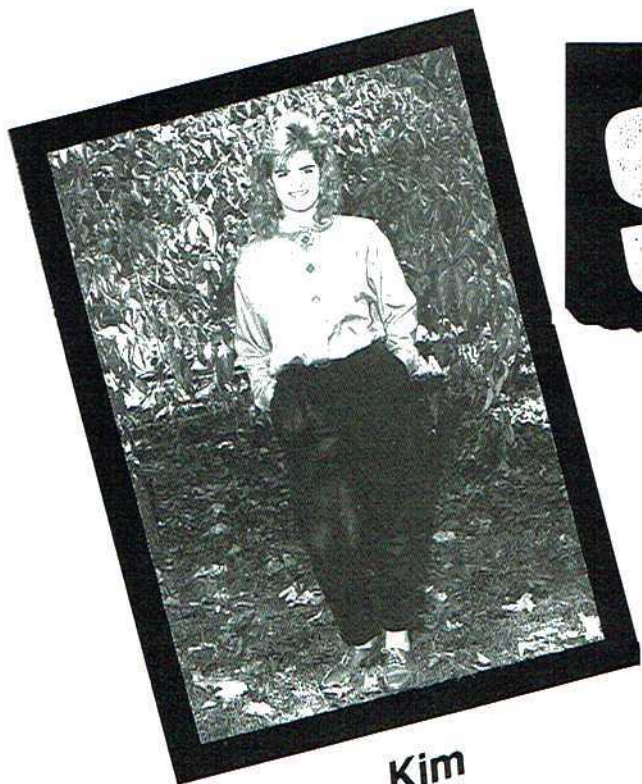

Toni Little

Kim's hobbies are bowling, reading, and spending time with friends. Kim's parents have inspired her the most. In the real world, Kim would like to change the negative attitudes of the people. About herself, Kim would change her own attitude toward things that are important to her life. Her future hopes and dreams are to go to college and have a successful life. She is very honored and happy to have been chosen as class beauty. If Kim could have a choice which time period she could live, she wouldn't travel in time at all. She would stay right here. Her favorite things about Skyline are all of her friends and closeness among everyone.

Charity

Charity Worthen

Charity's hobbies are going to rock concerts, reading, and talking on the phone. She also enjoys having fun with her friends. Elaine Adkins

Elaine's hobbies are playing an action-packed game of softball and being with her friends. In her spare time, she enjoys spending time with her boyfriend. Elaine feels that her mom has inspired her the most. The things she would change would be the problems with drugs in the world and her outlook toward life. After Elaine takes a trip back to the 50's, she would like to go to college, get a high-paying job, and then settle down to have a family. Her favorite thing about Skyline is teachers and students. She feels very honored to be chosen by her fellow classmates to represent them as a freshmen beauty.

Elaine

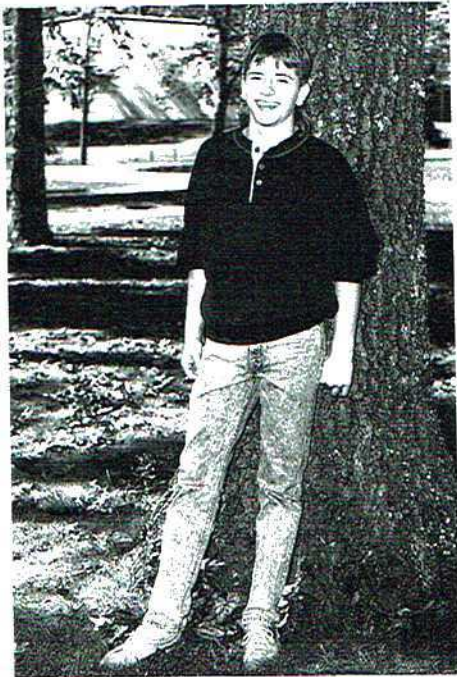

Chassity Knight

The things Chassity enjoys doing most are being with her friends and chatting on the telephone. It seems that friends have played an important role in Chassity's life. World hunger is what she would change in the world. Her academic ability would be what she would change about herself. When asked how she felt about being elected a class beauty, Chassity replied, "It is a great honor to be chosen by my classmates." Her favorite thing about Skyline is the closeness between students and teachers. Chassity is uncertain of her future plans.

Poem

We must live with ourselves, and so
We must be fit for ourselves to know,
We want to be able, as days go by,
Always to look ourselves in the eye
We don't want to stand in the setting sun
and hate ourselves for the things we've done,
We want to stand with our heads erect,
We want to deserve our self respect

Ms. Blackmon,

We want you to know that you have been a very important part of our lives during our senior year. You were always there for us when we needed you most. Just as our voices echo throughout these halls, your presence will be with us no matter where we go. You have truly made 1990 a year to remember.

***We love you,
Class of '90***

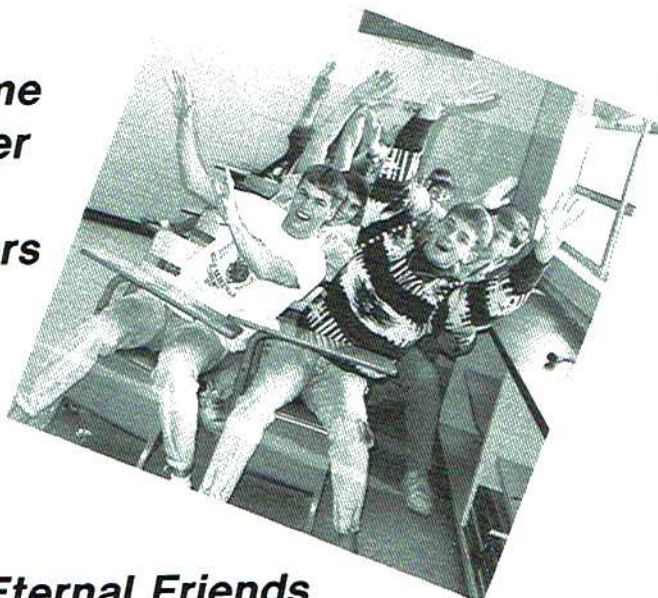

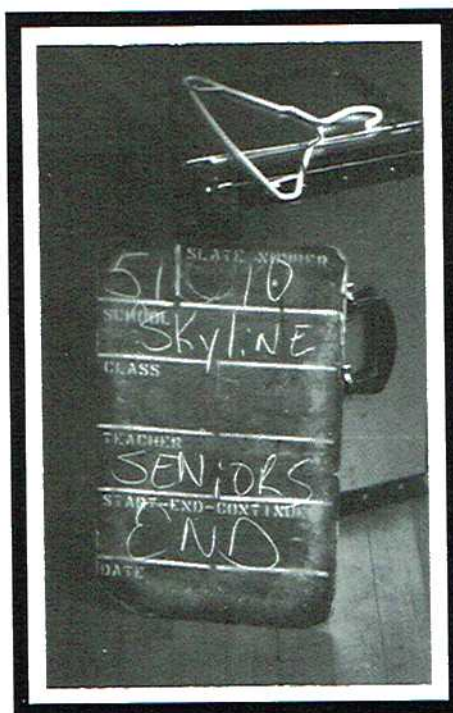

**We Came
together
as
strangers**

Now

We leave Eternal Friends

To the Student body and faculty:

I would like to thank you for all the patience you have had with me over the past nine months. Without your help and support assembling a yearbook would be almost impossible. I hope that me, Mrs. Jones, and the rest of the staff were able to create some exciting new layouts which everyone will enjoy. I would also like to thank Mrs. Jones and the staff, you are all great people and a lot of fun to work with. Good luck in the future.

To my fellow classmates:

Well guys by the time we have all gotten our yearbooks, the shock of graduation may just about be worn off. However, remembering our high school years will just be beginning. I would just like to say to all of you, that each and everyone of you will always be a very special part of my life, we were almost like family and the closeness we shared is something I will never forget. I wish you all the best of luck in whatever roads your lives may follow. And "Thank You" so very much for making my years at Skyline some of the best years of my life.

I leave you with
"A TOUCH OF CLASS."
