# DEDICATION

## BECAUSE OF:

His ability in training us in health, knowledge, and character,

The spirit of fair play and good sportsmanship which he has instilled within our hearts,

His outstanding achievements in our athletic program,

His words of cheer, his smile of encouragement, and his great sense of humor,

His loyalty to our entire school,

We dedicate this volume to COACH WEYMON R. SMALLWOOD.

MAKING THE GOOD EARTH BETTER

Low cost electricity does more than make farming more profitable. It encourages farm practices that build up the land instead of tearing it down . . . It gives the farmer the strength of many men. No other source of power serves so well or at such a low price.

Many of our farms do not have this valuable farm hand, but electrification is going forward as fast as materials become available. This is one of your power distributor's most important contributions in making this a better place to live.
