

PANTHER TALES

Panther Tales

1957

From the experience we share in friendship and fun come the ingredients which make up our fondest memories. Only when looking back on our cherished high school days, can we know the real happiness that dwelled with us there.

Always dear to our hearts is the memory of those who would still be with us had it not been for highway accidents. To those classmates who were taken from us -

WE DEDICATE THIS YEARBOOK

We feel confident that, by preserving your activities in the 1956 Panther Tales, it will be treasured by all who are a part of it.

Last Will and Testament

We, the Senior Class of '57, being crazy, mixed-up kids because of S.H.S., do hereby bequeath our last will and testament.

To the Junior Class, we will our ability to run the school, as they will need it next year.

To the Sophomore Class, we will our bad habits.

To the Freshman Class, we leave our deepest sympathy for having four more years in this hole.

- I, Billie Allen, will my wild parties and my parking place at Burple Springs to Jackye Caperton in hopes she doesn't get caught.
- I, Bobbye Edwards, will my parking place at the drive-in to Carolyn Stewart and Ann Blevins.
- I, Jerusha Goff, will my ability to catch a man to Margaret Britton.
- I, Karolyn Pritchett, will my "Senior Dignity" to Tommy Timberlake in hopes that he will make better use of it than I was allowed to.
- I, Betty Harrison, came with nothing, got nothing, and will nothing.
- I, Suedel Bowles, will this school to the Federal Government for future H-Bomb test.
- I, Carolyn Glover, will the nickname I am trying to get rid of to anyone that wants it.
- I, Greasy Hammontree, will my beat up "Truck" to Bobby Samply (maybe it can help him be a great lover like me).
- I, Murk Jones, will my ability to receive fan mail to Geroge H. Loyd, who really needs it.
- I, Betty Jo Russell, will 50 of my best freckles to Faye Gamble and Frances Dobbins, and hope they will find a place for them.
- I, Sammie McCallie, will Jim Davis and Si Si Grider each a book on the Facts of Live and Love.
- I, Ida Meeker, will my specs with special devices for spying on test to Tommy Cates.
- I, Jayne Lillard, upon receiving pardon on May?? 1956, will Plane Geometry, under Mr. Philips, to Jack Green, in hopes he enjoys it more than I did.
- I, Ray Cagle, will Jerri Walker to Donald Coffman.
- I, Pete Guess, will my good habits and reputation to Randolph Gonce.
- I, Jessie Thomas, will my ability to handle Mr. Knox to Don Smith.
- I, Jerry Roberts, may leave in an ambulance or in a sedan, but the main thing is "I'M LEAVING, MAN!"
- I, Jerri Walker, will my love for the school, the teachers, and everything therein, to anyone who is fool enough to take it.
- I, Don Timberlake, will my ability to go to formal dances to Benny Thomas, when his coat gets back from the cleaners.
- I, Merrion Reeves, will my ride to South Pittsburg to Cam Gamble.
- I, Betty Allison, will my shorthand ability and also my book to Nellie Bradford.
- I, Essie Wilkinson, will my quietness to Jim Davis.
- I, Betty Ingram, will to Alice Ruth Ingram and Charley Maynor the back seat of Mr. Knight's bus.
- I, Ernestine McCrary, will my graceful manners and conceited disposition to Ann Carroll.

I, Arena Jones, will my typing ability to R. C. Wann.
I, Wayne Powers, will my ability to do Bookkeeping to Cam Gamble.
I, Jimmy Davis, will my ability to do Physics to Tommy Cates.
I, Fred Gonce, will my Geometry book to Edwin Keller.
I, Kenneth Holder, will my laziness to a working man like Cam Gamble.
I, Junior Guess, will my sweet 16 years to Jack Green.
I, Glenn Evans, will my ability to play basketball to W. C. Thomas.
I, Hoss Davis, will my ability to charm the women to Benny Thomas.
I, Roy Matthews, will my grades in American History to Marlin Matthews.
I, Paul Steel, will my quietness to Ernestine Loyd.

In witness whereof, we, the 1957 Senior Class of Stevenson High School, do hereto set our hand and seal.

Seventh Grade '51-'52

Stevenson, Alabama
November 1, 1956

Miss United States of America
Washington, D. C.

Dear Friend,

In 1949, a large group of children entered my neighbor's halls, Stevenson Elementary School, as the class of 1957. I looked upon these children and thought what a pleasure it was going to be when they entered my doors as freshmen. The year of 1953 rolled around and the class of '57 hit me like Hurricane Flossie. My sides still ache from it. That year they had a skit for the carnival called "The Teachers Book Club" which everyone thought was real cute except some of the teachers. But, I thought, surely by next year they will show some signs of high school students.

Well, I was in for quite a surprise because the year of '54, in which they were sophomores, was a circus for them. That year, for the first time in the history of all my years, the sophomore class had a school play. The seniors were so outdone with them I thought we were going to have a war right inside of me, and I got an acute case of indigestion! On December 27, 1954, the class lost one of the best boys to ever walk in my halls. Clifford "Red" McDonald was killed in a car wreck, and they were all so sad that I felt sorry for them.

1955 was before us and again I felt we would really see some great things from this group. I heard some of the new teachers talking and it seemed they were discussing my pets. I surely felt sorry for those new teachers because I knew this bunch. They gave the Seniors a wonderful banquet and had a very good play called "Finders Creepers." I heard one person mention that the theme for the year for them was throwing things out the window such as books, desks, teachers, and etc., but I don't believe it.

Well, here it is 1956-57 and I wish you could see them now. They have improved so much I can hardly believe it. Their ace sponsors, Mrs. Lib Brett and Mrs. Betty Blevins, predict a good year ahead. They have become quiet and serious minded and I believe we have a crop of young men and women ahead of us. I also hear they are to have an excellent annual and class play.

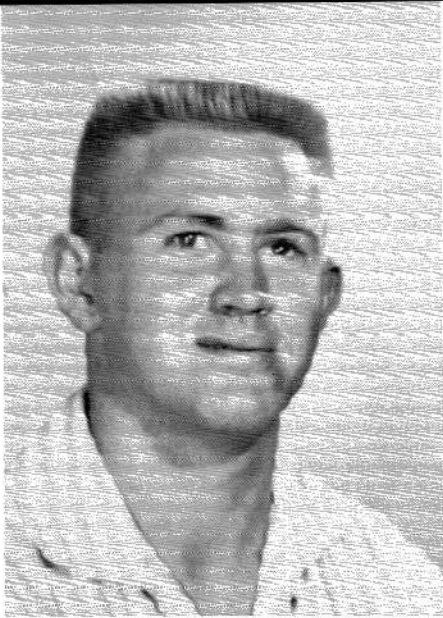

Be good to these young adults for me and I am sure they will make first-class citizens for you.

Sincerely yours,

Miss Stevenson High School
