**Presents**

**THE PANTHER TALES**

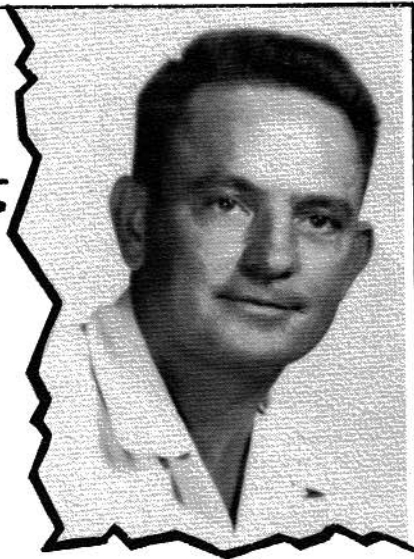

ALMA MATER

On the city southern border  
Reared against the sky  
Proudly stands our Alma Mater  
As the years go by.

Forward, ever, be our watchword  
Conquer and prevail  
Hail to thee our Alma Mater  
S. H. S. all hail.

Cherished by our son and daughter  
Sweet the memories strong,  
Round our heart our Alma Mater  
As we sing this song.

## DEDICATION

To one who has given many years of helpful, continuous service to Stevenson High School and its students; one who has paved the way to success for many a graduate interested in Vocational Agriculture; and one who has brought far reaching recognition to our school through his F.F.A. Chapter, we the Senior Class of 1959, dedicate this edition of The Panther Tales to -

Claud D. Richardson

in appreciation of his loyalty and service to our school over a long period of years.

## PRINCIPAL'S MESSAGE

Greetings:

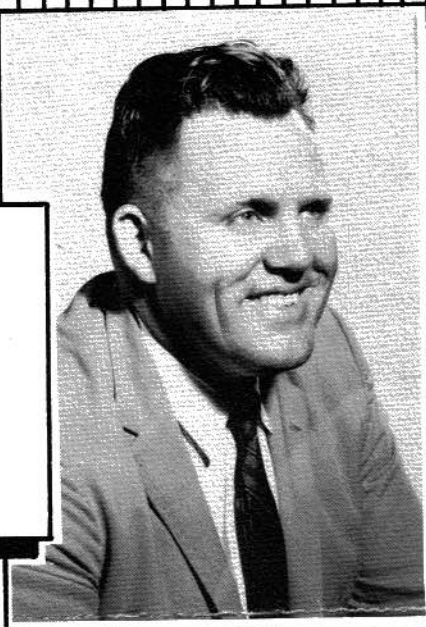

To a fine group of seniors who through your hard work and cooperative effort have made an outstanding contribution to our school and campus life. May these pages serve as an inspiration for those who follow. Give always of your best, and accept nothing less in return.

Sincerely,

*Allen L. Knox*

Allen L. Knox

## OUR PRINCIPAL

The Stevenson school system is extremely fortunate in having at its head a native son, Mr. Allen Knox, B.S., M.S., M. Ed. He is eminently qualified for this position, having received his education from Austin Peay State Teachers' College, Clarksville, Tennessee, and from George Peabody College for Teachers, Nashville. Mr. Knox first taught at Cornersville High School, Cornersville, Tennessee. The war interrupted his teaching career, however, and he spent three years in the Air Force, serving in India and in Burma. He returned to this hometown to accept the position of Head Coach of Stevenson High. Later he taught at Coffey High School in Florence, Alabama; and from there he moved to Nashville, where he was coach of Hume-Fogg Technical High for nine years.

Since the coming of Mr. Knox as Principal of Stevenson Schools in 1956, the educational facilities have undergone many improvements. Under his leadership, the schools continue to move forward!

## IN MEMORIAM

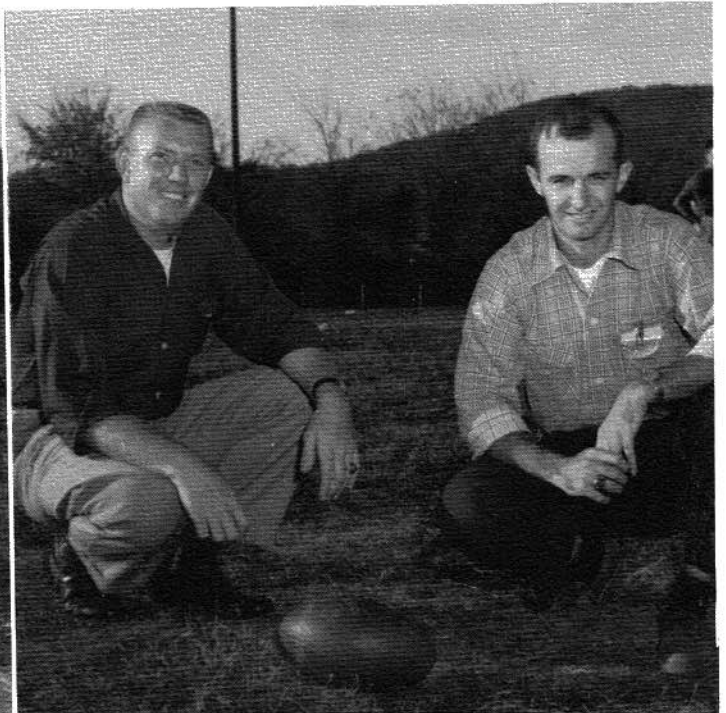

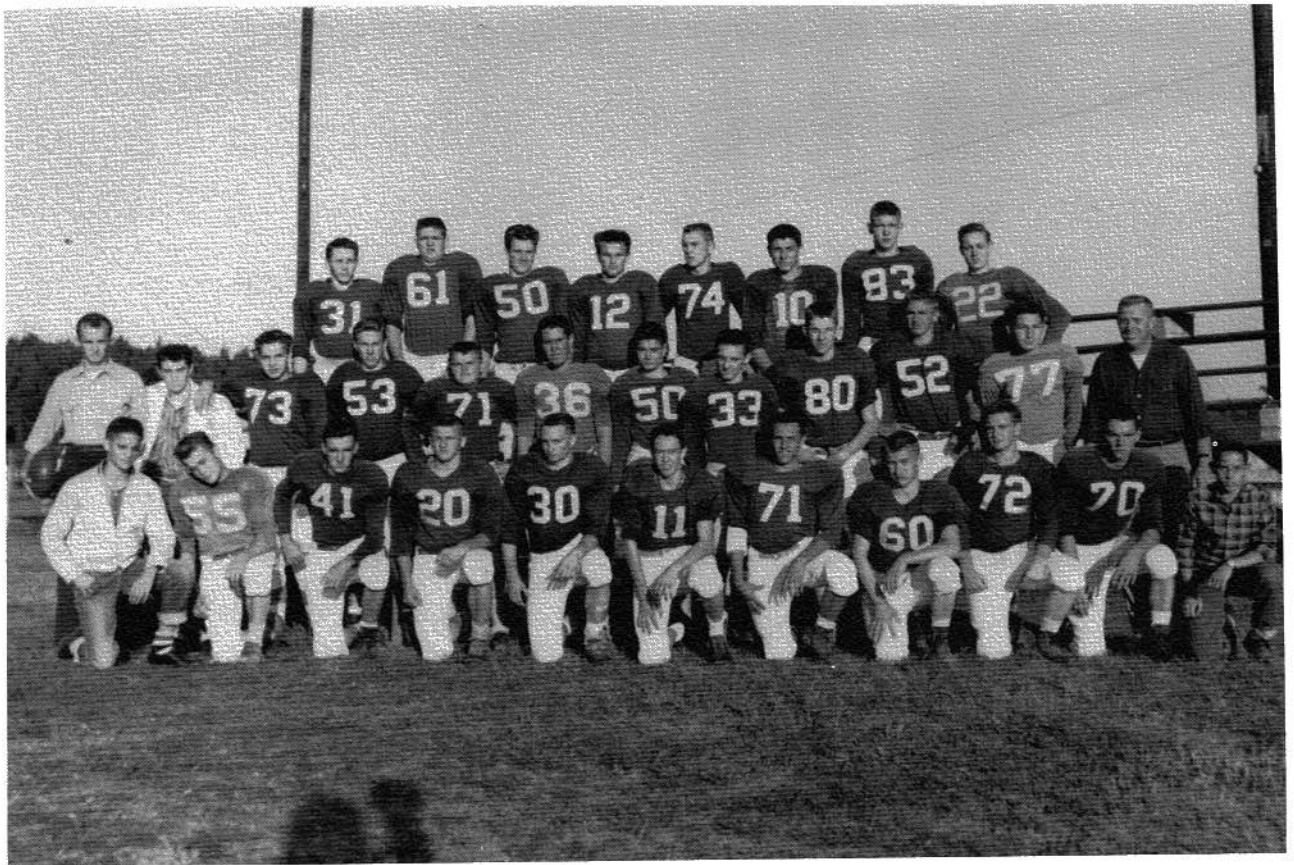

Why be afraid of death  
As though your life were breath?  
Why not with happy shout  
Run home when school is out?

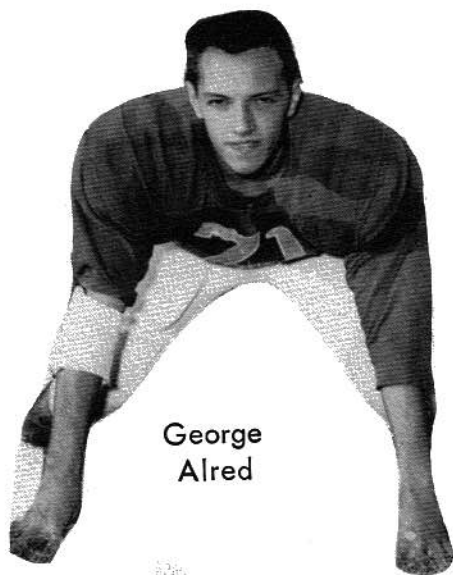

1942-1958

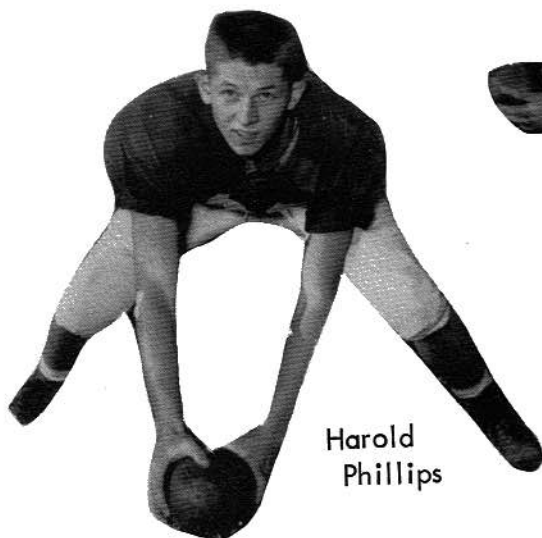

On Friday, November 7, 1958, our hearts were saddened by the passing of our fellow student and football captain, James Peters.

James entered our school in the first grade; this was his junior year. It is hard for us to realize that his place is now empty. On the football field and in the classroom, memories will always linger.
