*The Panther Tales*

High School days at S. H. S. came slowly, passed quickly, but their memories will remain forever. "The Panther Tales" is a collection of memories recording the events of high school life. It is our hope that this edition of "The Panther Tales" will help to bring to your mind the joys, the sorrows, the work, the play, and the friends that have made up your life here in S. H. S. in the years of 1959 and 1960.

## *Dedication*

We, the Senior Class of 1960, proudly dedicate this edition of **THE PANTHER TALES** to our outstanding coaches, Robert Murphee and Wayne Wallace, who have contributed tremendously to the betterment of our athletics, as well as to our scholastic program.

## *Principal's Message*

Greetings:

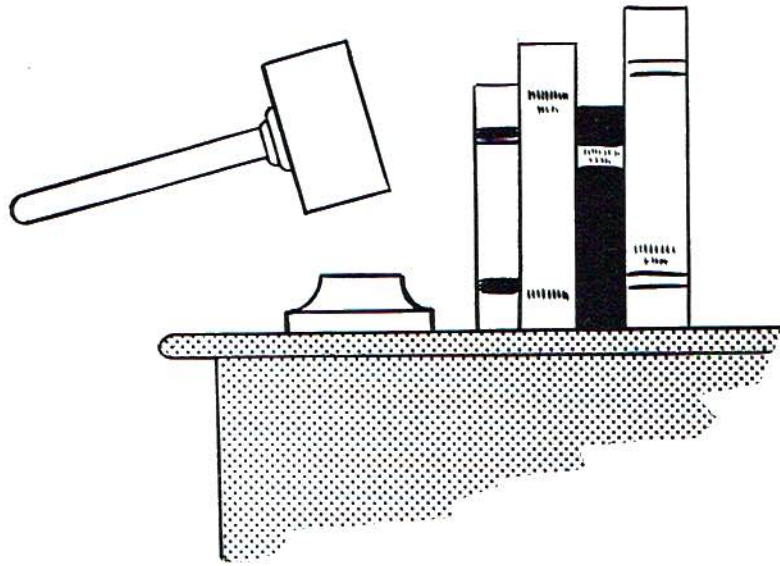

The success of our school will be influenced in the years to come by the lives of those whose pictures appear in this book. May these pages serve as an inspiration for those who follow.

Sincerely,

*Allen L. Knox*
