PANTHER TALES

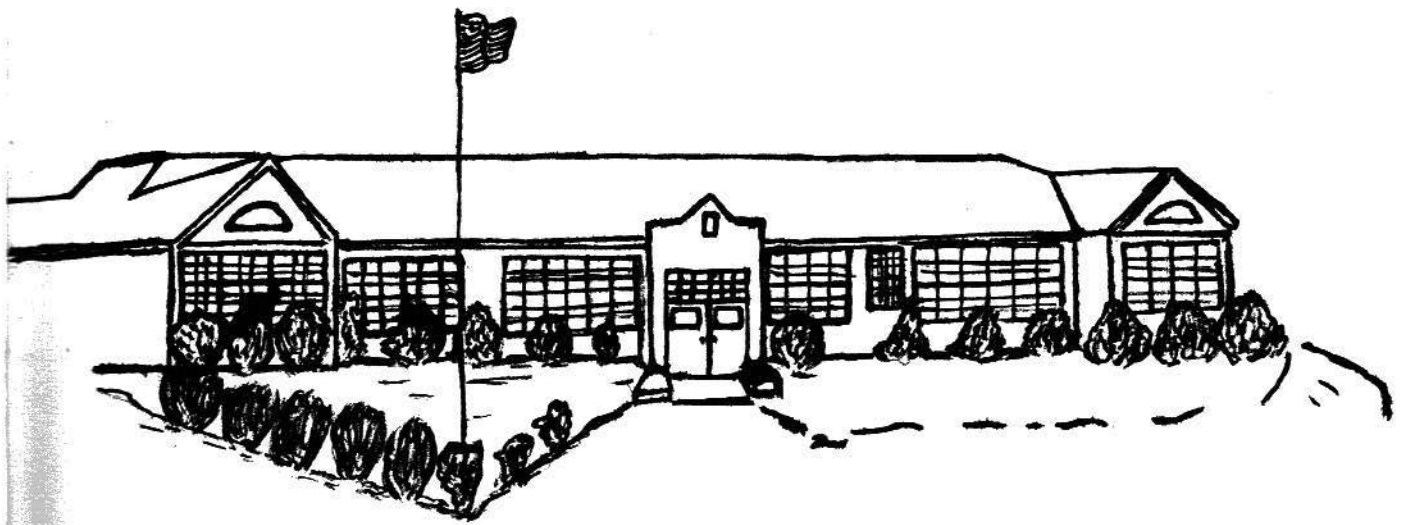

Seniors

Seniors

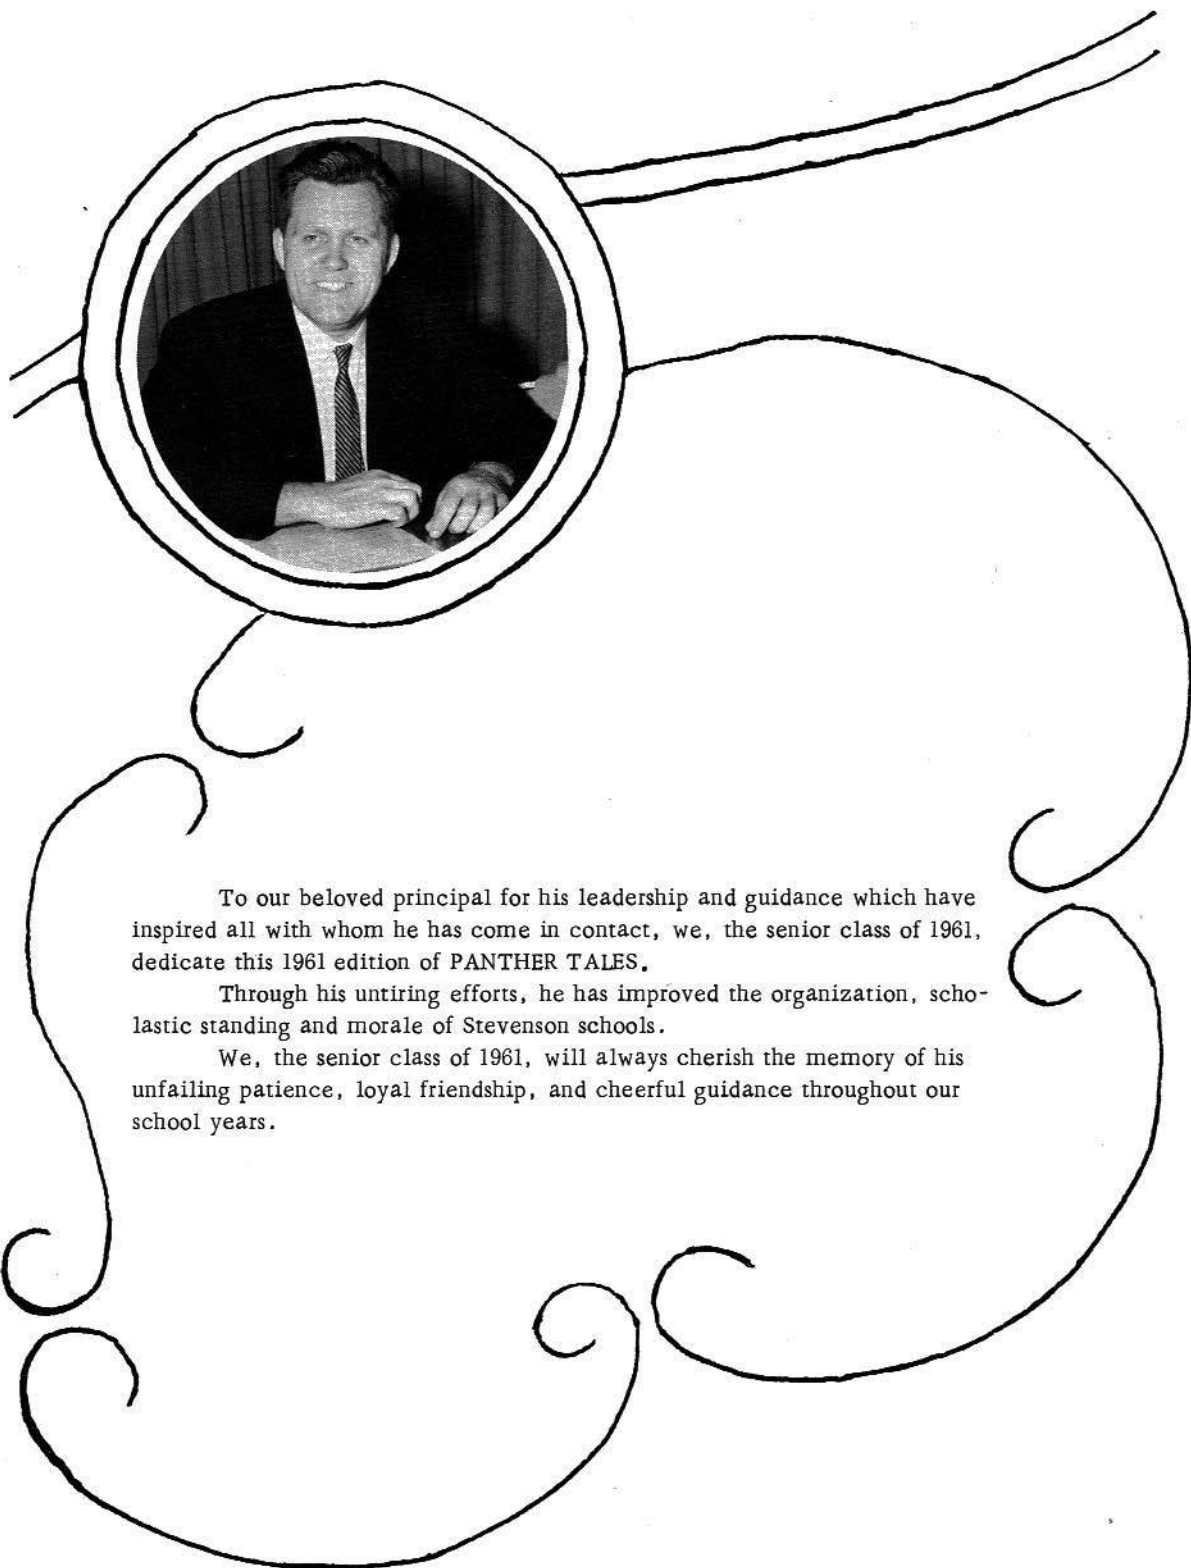

Memories of "the good old days" at S. H. S. are presented to you in "THE PANTHER TALES." In viewing this book, memories of the faculty and your friends will be recalled; and as you see the various clubs, staffs, sports and other activities of which you have been a part, school days will be relived. Our best efforts have been put forth for you to see and enjoy so that you too can say, "A book is man's best friend," especially THE PANTHER TALES.

ALMA MATER

On the city's southern border,
Reared against the sky
Proudly stands our Alma Mater
As the years go by.

Forward, ever, be our watchword;
Conquer and prevail
Hail to thee, our Alma Mater,
S. H. S. all hail!

To our beloved principal for his leadership and guidance which have inspired all with whom he has come in contact, we, the senior class of 1961, dedicate this 1961 edition of PANTHER TALES.

Through his untiring efforts, he has improved the organization, scholastic standing and morale of Stevenson schools.

We, the senior class of 1961, will always cherish the memory of his unfailing patience, loyal friendship, and cheerful guidance throughout our school years.

Recognition of Grammar Teachers

We, the senior class of 1961 would like to honor the following teachers who through their efforts and patience have guided our footsteps through the grammar grades.

Without their understanding and assistance we could not have been seniors. Teachers, may you continue to be patient and helpful in the following years and may all your future classes cherish as fond memories of you as those which we shall always treasure.

Greetings:

To a fine group of seniors who have demonstrated that they have the tools with which to succeed.

As you near the end of your high school journey, please pause to honor your parents and teachers for love, for faith, and for principles which they have taught you from the time you entered school. This milestone in life could not have been accomplished without their guiding hands.

Yours truly,

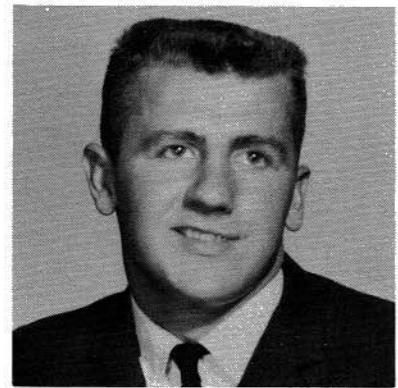

Allen L. Knox
