ALMA MATER

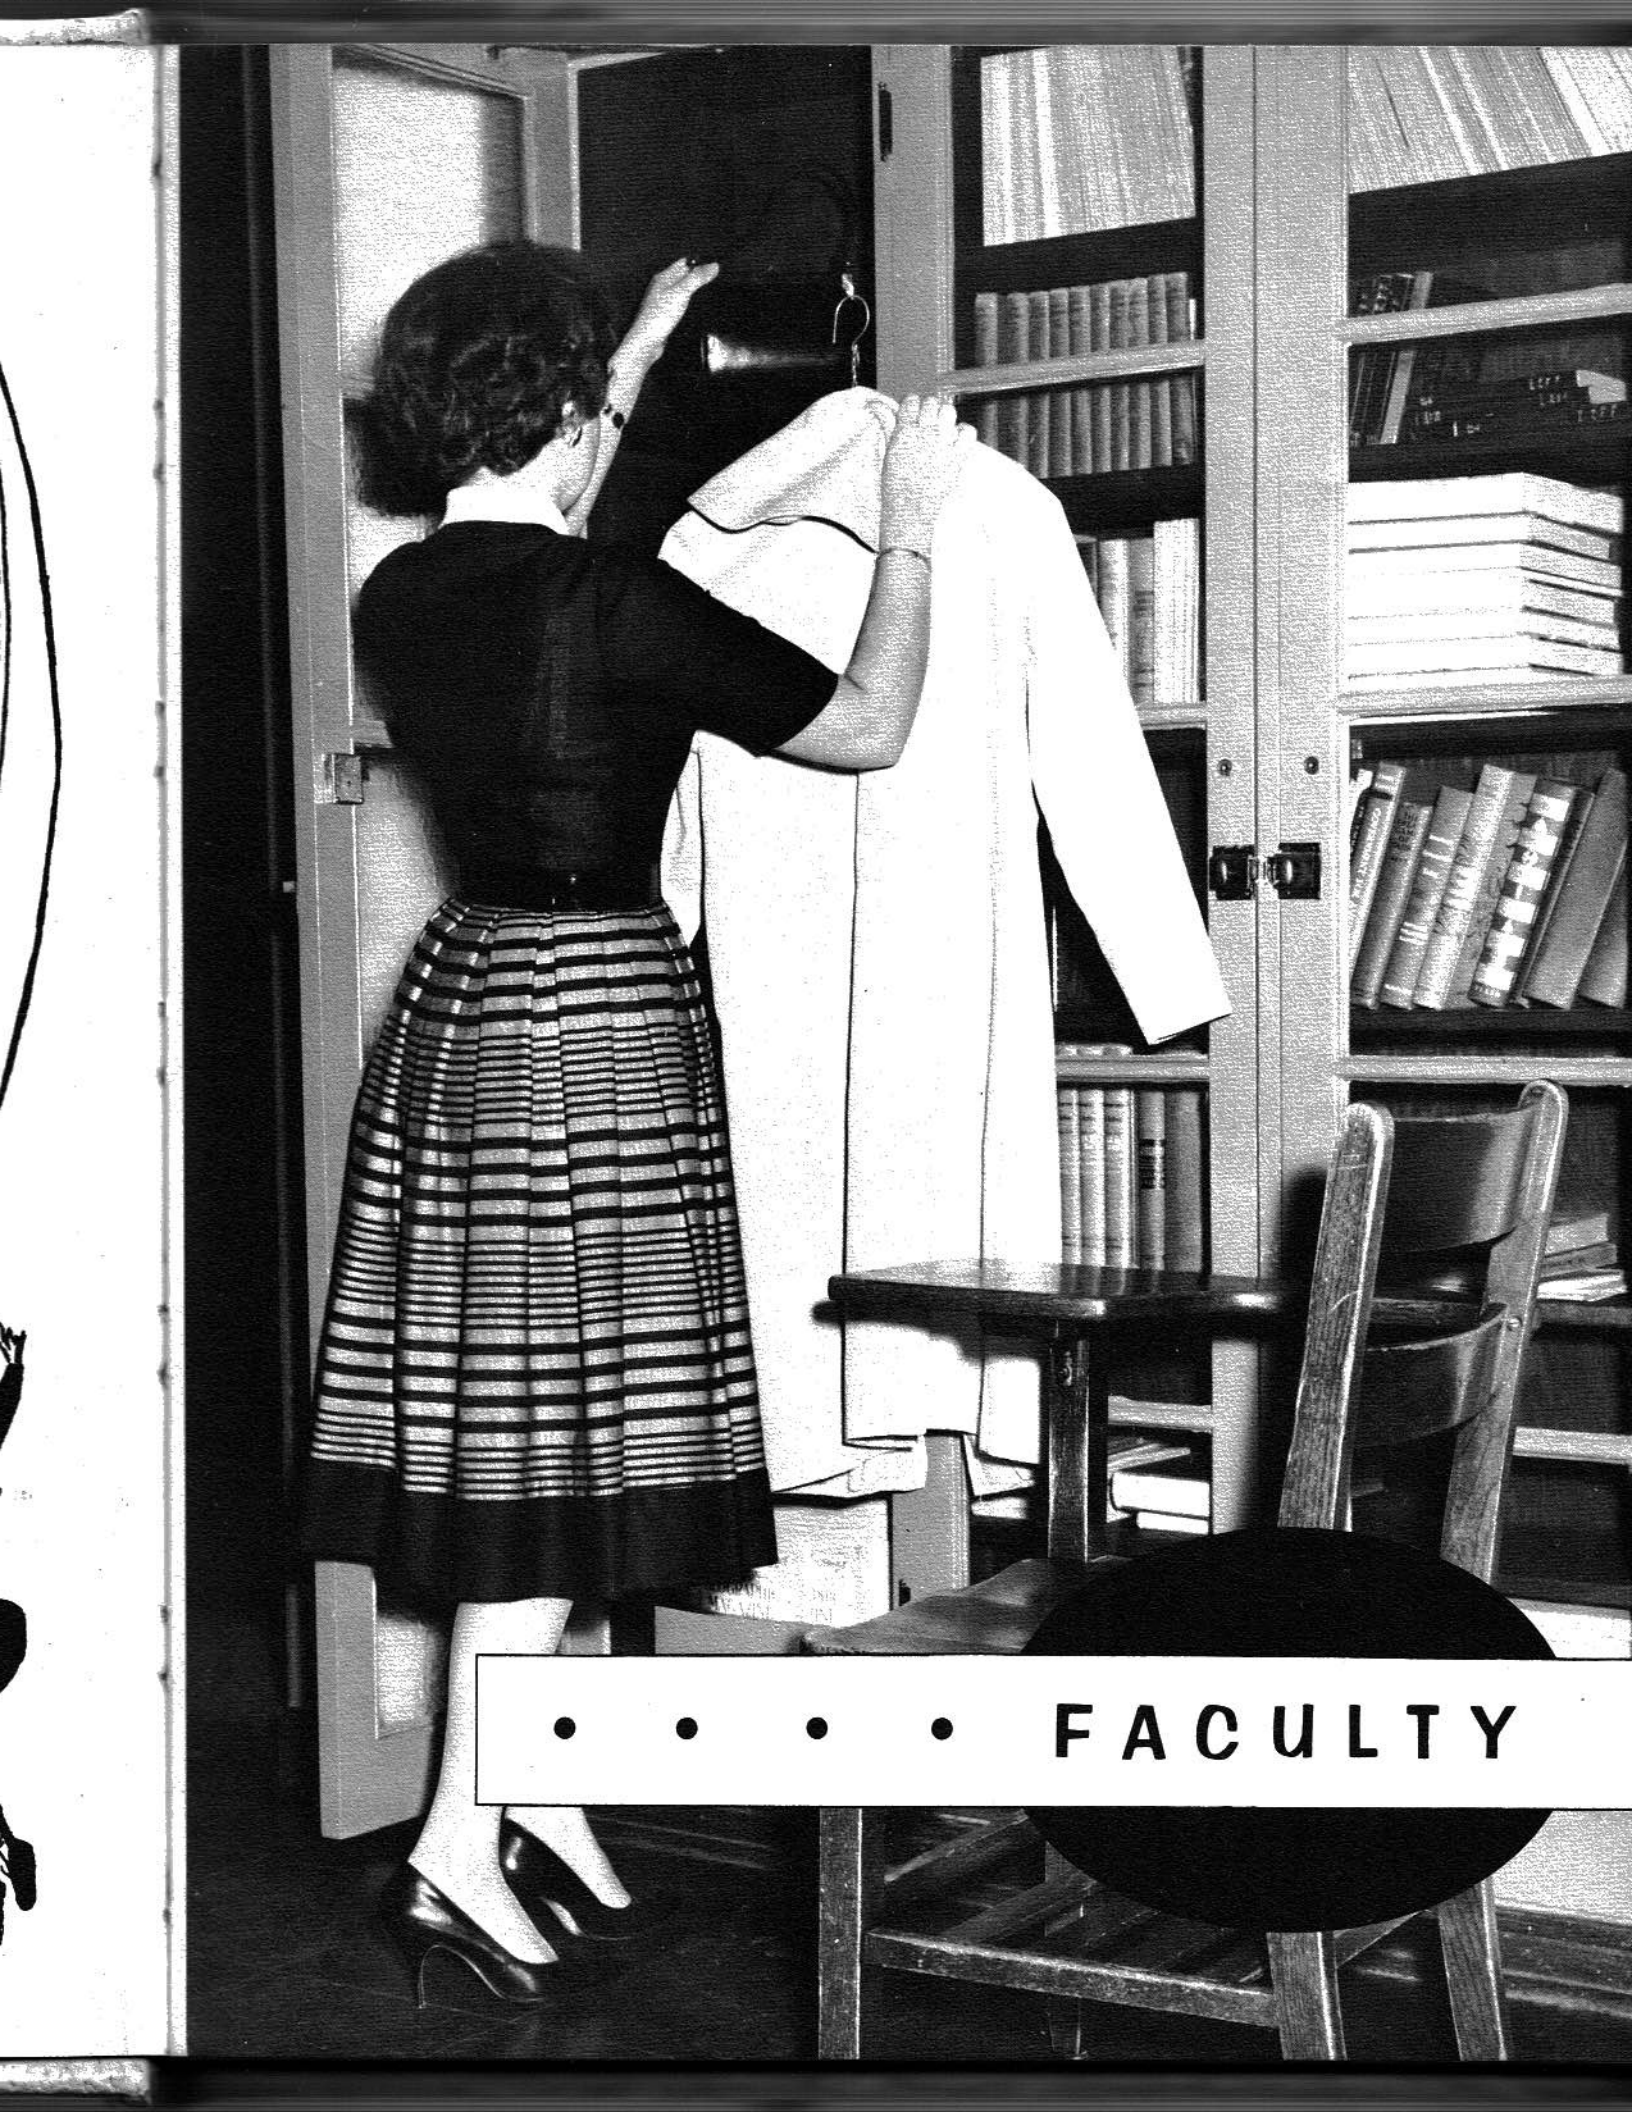

On the city's southern border,
Reared against the sky
Proudly stands our Alma Mater
As the years go by.

Forward, ever, be our watchword;
Conquer and prevail,
Hail to thee, our Alma Mater,
S.H.S. all hail!

We, the Senior Class of 1962, proudly dedicate this edition of THE PANTHER TALES to Coach Threadgill, whose untiring efforts have contributed greatly to the advancement of our athletic program. His manifest leadership and outstanding ability have endeared him to all his students. For all you've done, may we say, "Thanks, Coach!"

Principal's
Message

Greetings:

To a group of seniors who have demonstrated that they can excel in many walks of life.

The education which you have received in the past twelve years involves not merely the training of the mind but the development of all the faculties--moral, physical, social, mental and emotional. Let us hope that the end product is a well-rounded efficient, healthy individual, capable of becoming a competent member of a complex democratic society.

May the inspiration which you have received from your teachers and parents guide you through life.

Yours truly,

Allen L. Knox

IN MEMORIAM

THE NOBLE NATURE

It is not growing like a tree
In bulk, doth make Man better be;
Or standing long an oak, three hundred year,
To fall a log at last, dry, bald, and sere;
A lily of a day
Is fairer far in May,
Although it fall and die that night--
It was the plant and flower of Light.
In small proportions we just beauties see;
And in short measures life may perfect be.
