Stevenson, Alabama  
SENIORS '64

## *Editors' Notes*

Carefully gathered within these pages are our treasured memories of classmates, teachers, activities and all that has been a part of our school days. We have tried to provide you with a deeper understanding of the true character of Stevenson High School and the people with whom this book is concerned.

"One step at a Time, but always forward," has been our motto; and surely, that is the way we have compiled the PANTHER TALES. To future graduates, may it present a challenge to do your best work-- never to abandon your search for knowledge and truth.

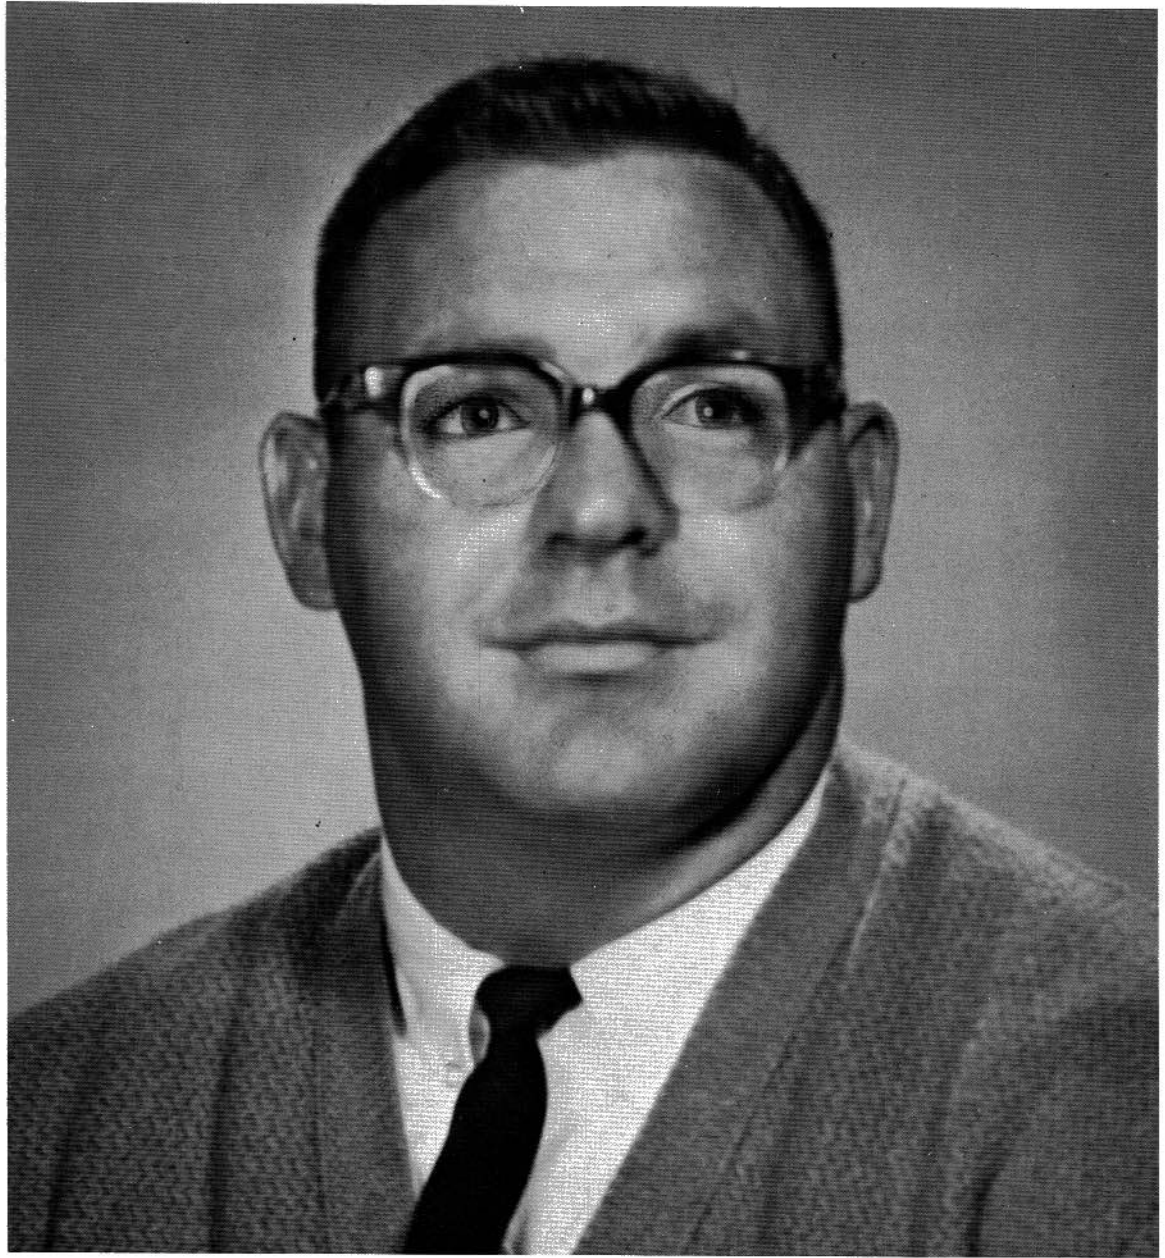

The challenges of higher learning, adventure and new worlds to conquer lie immediately before the members of the Senior Class. May we meet these challenges with courage, faith, and steadfastness of purpose.

Now we present to you the 1964 PANTHER TALES. May it bring you the fondest of memories.

"With many a smile  
But never a tear  
We hope you'll agree  
It's been a good year!"

. . . E. Gilbert

## *Dedication*

We, the Senior Class of 1964, proudly dedicate this edition of PANTHER TALES to Coach Ralph Williams, who has guided the gridiron fortunes of the Stevenson Panthers this past year. It has been refreshing in that he has shown that a gentleman can win games and win respect of those who play for him. He has been greatly responsible for that intangible necessity of every school - school spirit.

For these reasons, it is with a great amount of appreciation that the Staff makes this dedication to Ralph Williams, who is truly a Stevenson Panther man.

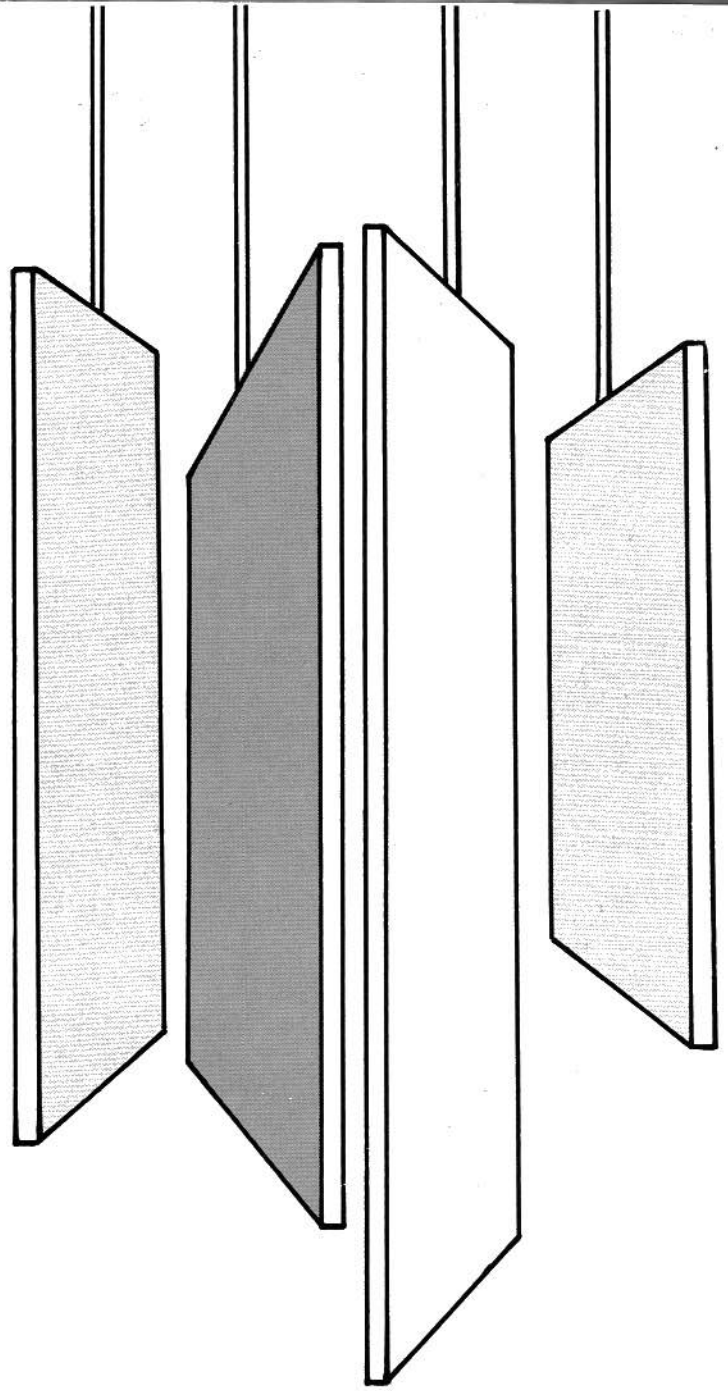

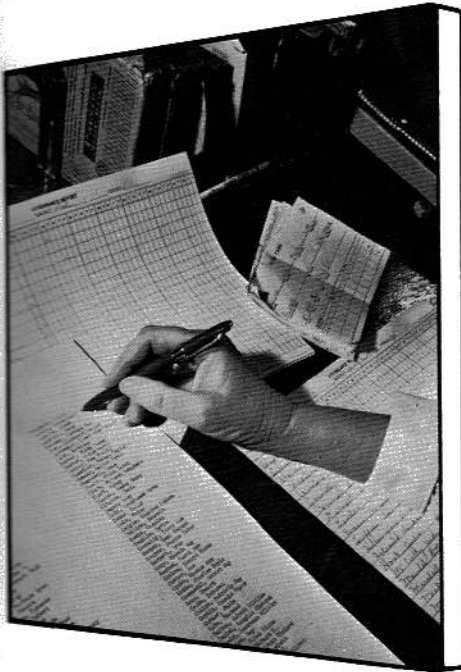

The character of a school is shaped, in part, by those men and women who comprise the administration and the staff. Leading the staff at Stevenson is Dr. E. R. Knox, principal. We are indeed fortunate to have Dr. Knox. He has had many years of experience in this capacity. Dr. Knox holds a B.A.; M.A.; B.D.; and a Doctor of Education degree.

We the Student Body are glad to have Dr. Knox with us this year.

## *"We Appreciate"*

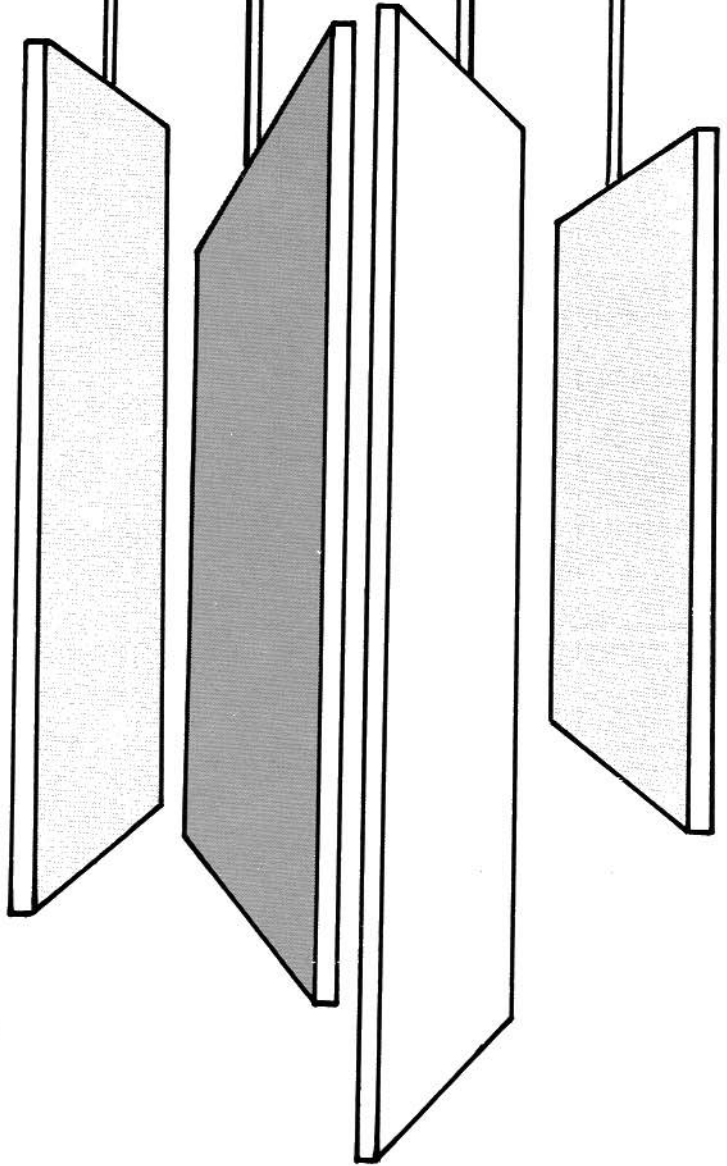

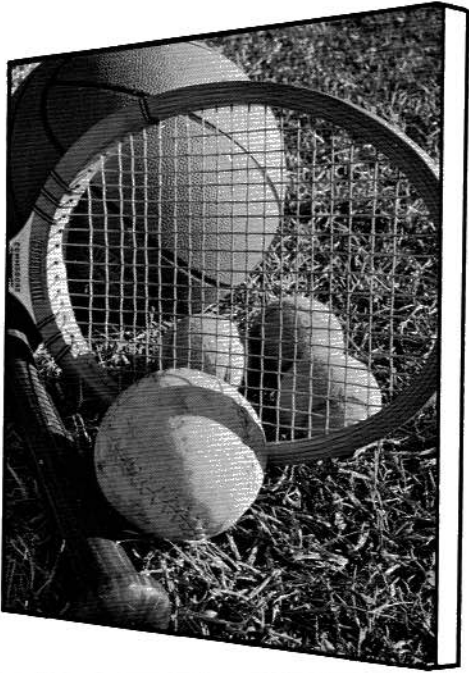

Our Lunch Room Staff, Mrs. McCrary, Mrs. Carroll, Mrs. Davis, Mrs. Russell, and Mrs. Rudder. We so often take for granted and fail to give credit to those people who do so much for us. Hardly a second thought is ever given to these ladies who do such an excellent job of preparing our daily meals. To you ladies, we say "Thanks."

Also, we owe a debt of gratitude and appreciation to our custodians, Mr. Doc Adams and Mr. J. H. Wilson. It is to these men that we owe our thanks for the warm buildings that we have had during the cold winter months, for our clean classrooms daily, and many other jobs well done that go unnoticed by us so often.

And finally, our parents who remain in the background, but who have given unselfishly of their time, money and especially their love to see that we, their children, have an opportunity for better things in life, an education which is so vital for one's livelihood today.

All of these wonderful people who do so much for us everyday of the year are so many times not shown the proper respect and gratitude deserved. Let us all try to say and show our "Thanks" more often.

## *Class Poem*

First grade to the twelfth, my, it's been a long time.  
Now it's Shakespeare and Chaucer, not Mother Goose Rhymes.  
Now it's caps and gowns, not pigtails and shorty pants.  
What we'll become now is left up to chance.  
The thirty-seven students listed here  
Will get we hope a diploma this year.

Brenda Adams is friendly as they come.  
She has always got a smile for everyone.

You can't call Anna Carol Allen "Quiet,"  
She is the friendly outgoing type.

No wonder Judy Allen was our F. F. A. Queen  
She is the royal type. Know what I mean?

Carol Bell is a happy-go-lucky thing, friendly . . . but . . .  
She is as cracked as a hickory nut.

Myra Blaylock was our Homecoming Queen  
The prettiest one we'd ever seen.

As a reformer, John Blizzard would be a whiz.  
Since he is not satisfied with the world as it is.

One girl who sure studies is Johnnie Bowen.  
There is no telling how far that girl is going.

Dorothy Carroll is never seen sitting silent and still.  
If she doesn't make it good, none of us will.

Dwight Carter is a boy we don't worry about,  
He'll get into trouble but he'll always get out.

Danny Crabtree is a guy who gets around  
Where action is, he is always found.

Wayne Davis is tall, lanky, and talks slow.  
The kind of boy we're proud to know.

Linda Dobbins has her future planned.  
Graduation then a wedding band.

Letha Goff is cute and full of fun,  
A friend indeed to everyone.

About myself, Colleen Gonce, I refuse to tell  
You see, I know myself too well.

Barbara Green is quiet and sweet  
Just like they say, still waters run deep.

To George Hackworth's pranks no one is immune.  
His favorite playground--a quiet classroom.

Bobby Harrison is our Sunset Club President -  
S. H. S. 's future permanent resident.

Sue Holder is the kind of faithful friend  
Who'll stick by our side to the very end.

Kenneth Ivey is thoughtful and a little shy  
But we all know he is a real nice guy.

Sarah Jernigan is not loud or ever bold,  
She is just a sweet girl, as good as gold.

Glynn Johnson's brain will take him far  
Someday he'll hook his rocket to a star.

We all like Richard Kirk, this is why,  
He is a friendly, easy-going, nice guy.

Uncle Sam has called one of the best guys around  
Sammy Poe is Air Force Bound.

Barbara Reeves always stays neat as a pin,  
And is never seen without a friendly grin.

Anna Jane Rogers neither meek nor mild,  
Matter of fact, at times she is wild.

Dianne Smith doesn't need an excuse  
If she wants to do something, she just cuts loose.

Ann Mantooth is not known for talking a lot  
But she is full of mischief whether you know it or not.

John Mashburn thinks he is a wit, real bright  
Well, at least, he is about half right.

Shirley Matthews, through life's ups and downs,  
Smiles and laughs a lot, but seldom frowns.

Shirley McCallister doesn't make a lot of noise,  
But she is still noticed by the boys.

Linda McCrary plays the lady, helpless and weak  
The Southern Belle from Big Coon Creek.

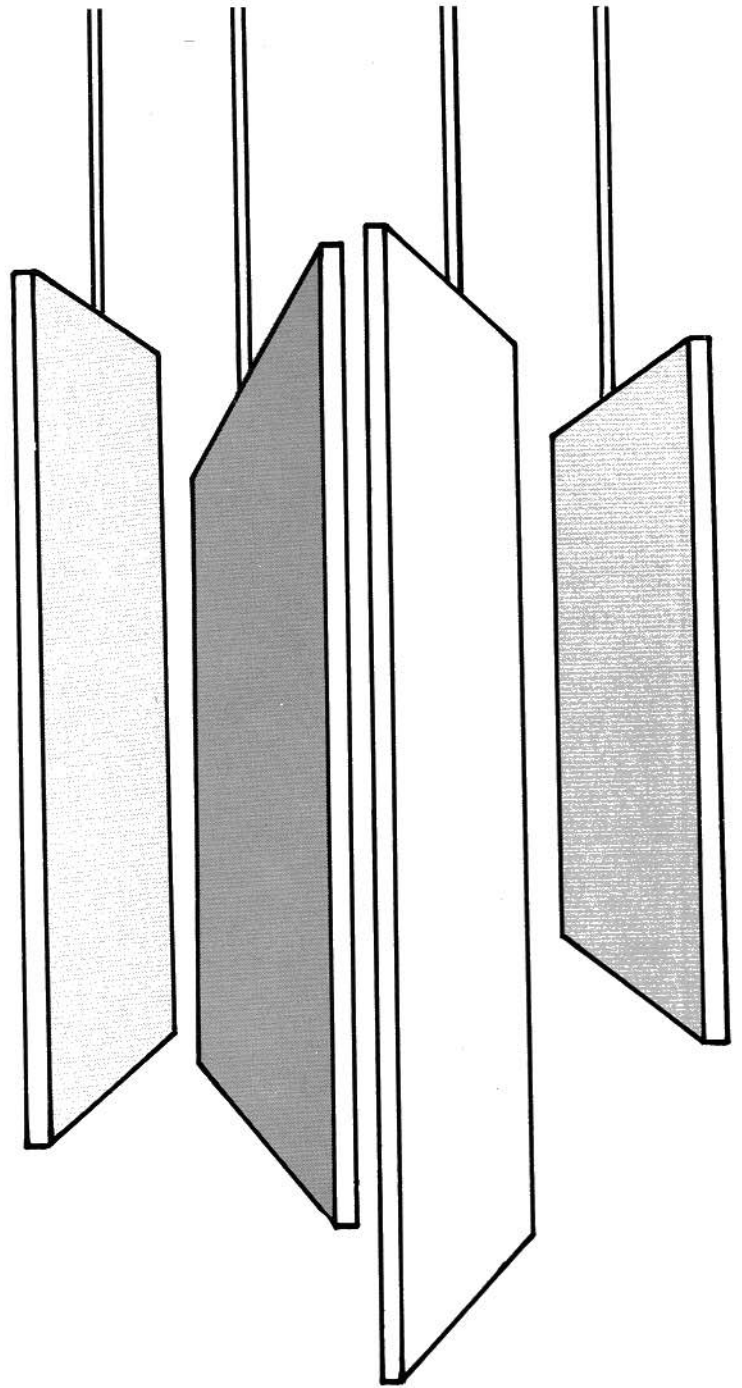

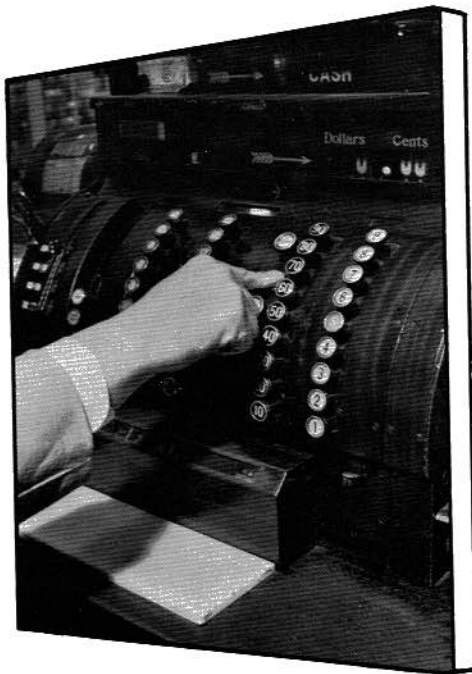

Joe Summers' love for his car is real,  
His girl plays second fiddle to a set of wheels.

Earnest Steele is waiting for the last bell to ring.  
When school's out--He'll take a fling.

Dickey Thomas never going to stop his flirtin'.  
He'll be our age's Richard Burton.

Betty Anne Vaughn can be naughty or nice,  
A little sugar and a lot of spice.
