PANTHER TALES

1967

Foreword

You now hold in your hands the 1967 edition of PANTHER TALES. Only a few of our many joys, sorrows, fantasies, and activities have been captured in this book.

As we take a new step in life, let each one of us set our goals high. Let each face the world with confidence knowing that "I can do all things through Christ which strengthened me".

Basketball 1967

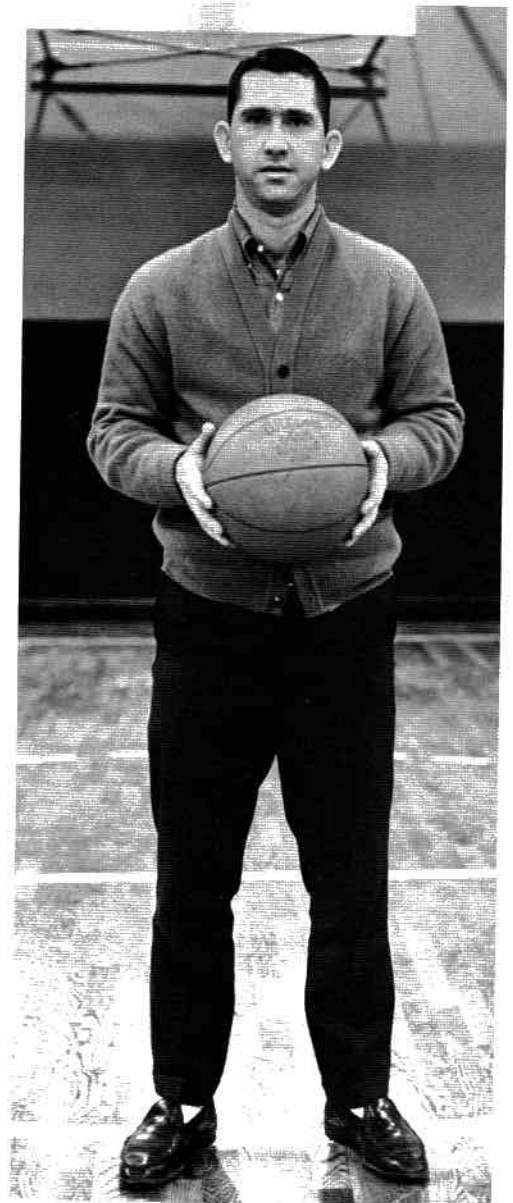

BASKETBALL has taken on a new meaning here at Stevenson High School in the past two seasons, especially this season. The team has found a place in the heart of the entire student body.

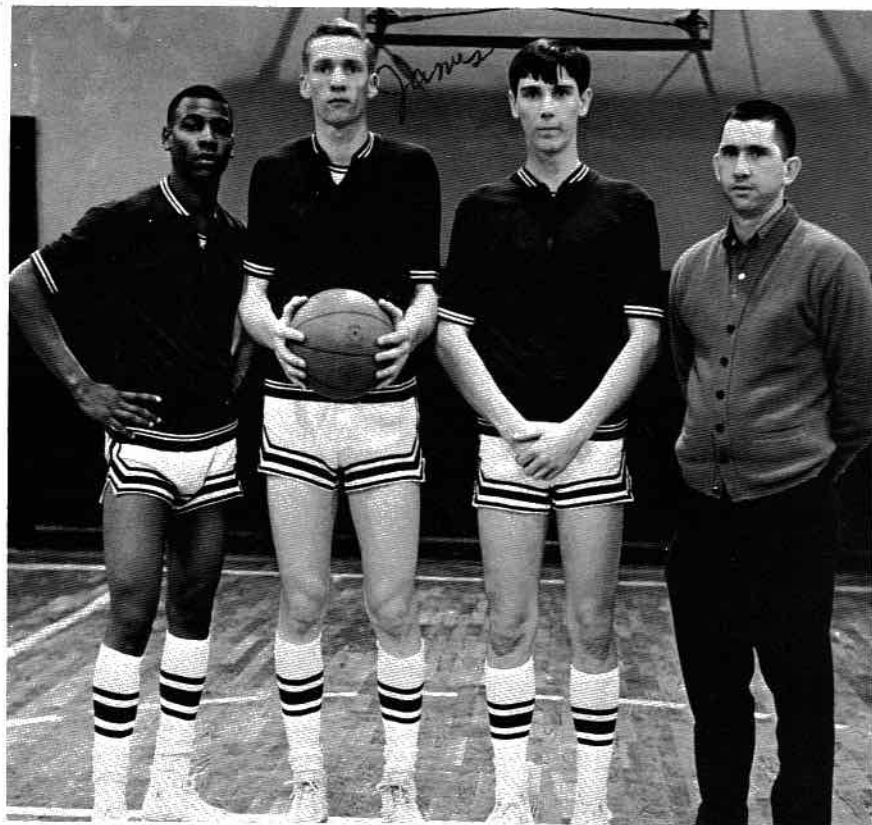

WE are very happy to see our school rapidly becoming a two-sport school, and basketball is gaining more prominence with each game played.

We, the student body, owe Coach Woodson Deerman a debt of gratitude for his untiring efforts with our Basketball teams. This is Coach Deerman's second season with us, and the record that he has made speaks for itself. Let us take this opportunity to say THANK YOU, Coach!
