Presented by  
The Senior Class  
of  
Stevenson High School

## *1968 Panther Tales Staff*

### *Foreword*

"The Panther Tales" has at last been completed. The annual staff has worked long and hard on it, but we have learned much and have truly enjoyed our work.

We would like to express our deepest appreciation to Mrs. Ernestine Pace, our advisor, for her diligent work in making this annual possible, and to Mr. Truman Maples, our principal, for his co-operation and understanding.

As our high school years draw to a close, we look back with fond regret upon these wonderful moments as students of Stevenson High School. As you look through the yearbook, we hope that it will make you smile and recall "the good old days at S.H.S."

The students of SHS want you to know that your untiring efforts in their behalf are gratefully appreciated. You have been a friend to all--the underclassmen and seniors alike. May we ever be worthy of your confidence in us!
