To everything there is a season, and a time to every purpose under the heaven ...
a time to plant, and a time to pluck up that which is planted ... a time to weep,
and a time to laugh; a time to mourn, and a time to dance ... a time to get, and a
time to lose; a time to keep silence, and a time to speak ...

The Book of Ecclesiastes

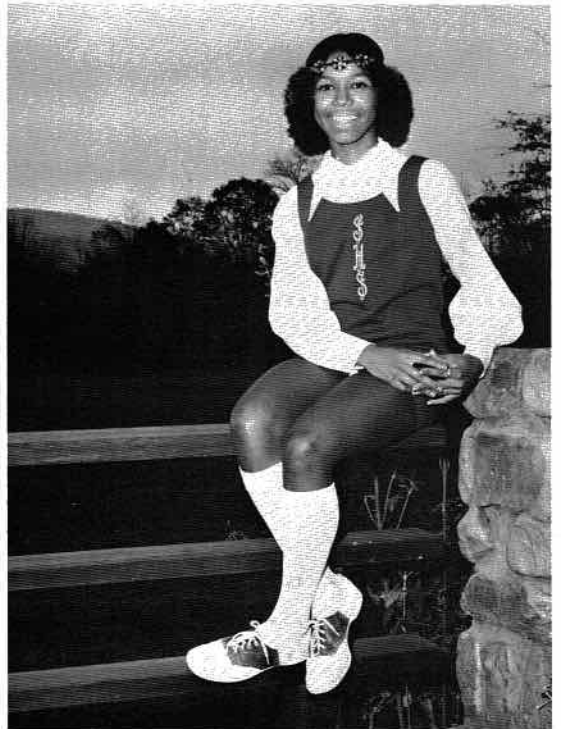

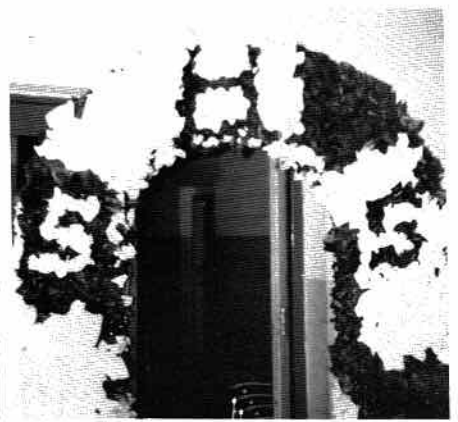

"Time takes all but memories." This old saying is certainly true. We, the senior class and the annual staff of 1973 are proud to be able to preserve some of the treasured moments and memories of this school year.

We hope that you will enjoy this edition of PANTHER TALES as much as we have enjoyed preparing it.

From the banquets to parades . . .
From individual achievement to class honors . . .
Even the hours spent in academic endeavors,
Make up our cherished memories.

We, the senior class of 1973 proudly dedicate this edition of PANTHER TALES to our custodian, Ed-Preacher-Smith.

He has always given of his time to help student and faculty alike. He has been a very important part of our high school life and activities.

We have chosen this method to say a special "Thank you," Mr. Smith.

The Junior Class Presented

"I bet you wouldn't take anything for that boy!"

"Mama Frogs, Papa Frogs, Grandma Frogs, Grandpa Frogs, Leap Frogs . . ."

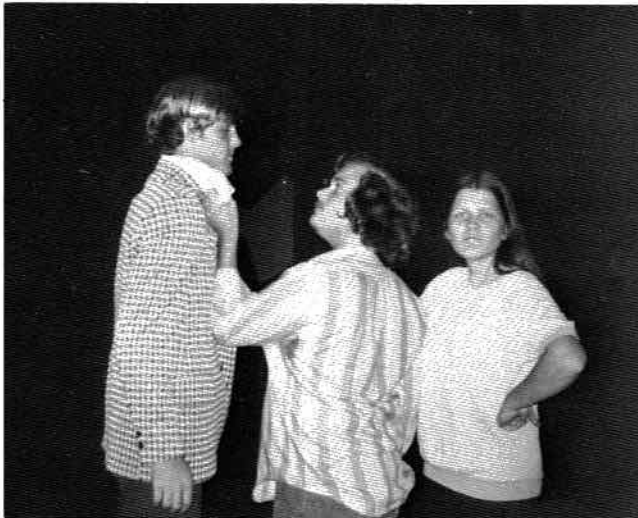

"Well now, don't you think you're smart!"

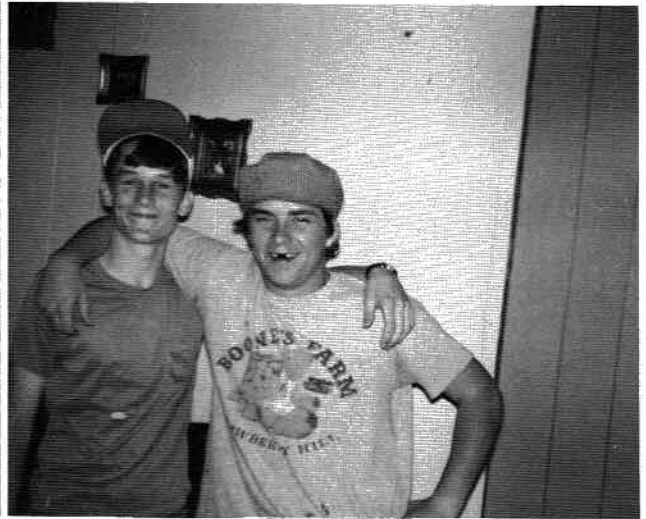

"You're both under arrest. Outsmarted by a couple of kids."

The 1973 Junior play was a huge success. It was under the direction of Mrs. Ernestine Pace and Miss Shelia Frost, Class Sponsors. Stage managers were Gayla Shrader and Don Haney. Ushers were JoAnn Smith and Vicki Smith. The entire junior class helped to make the play a success.

"The Boarding House Reach"

School Rings

Ours have the
"Now" look.

Your School ring can be unique, if it's one of ours. Take a look. The traditional ring has been up-dated with the addition of side shields that show your school colors. Then there are two revolutionary new styles — just for girls. They're jewelry, not miniature men's rings.

Come see the "Now" styles. No obligation.

MEN'S SHOP

We carry the most popular name brands of Men's clothing. We have fashions for young and old. Come see us!

Smart young folks.

They just joined Avondale Mills. And they have some big opportunities ahead of them. Because Avondale is on the grow.

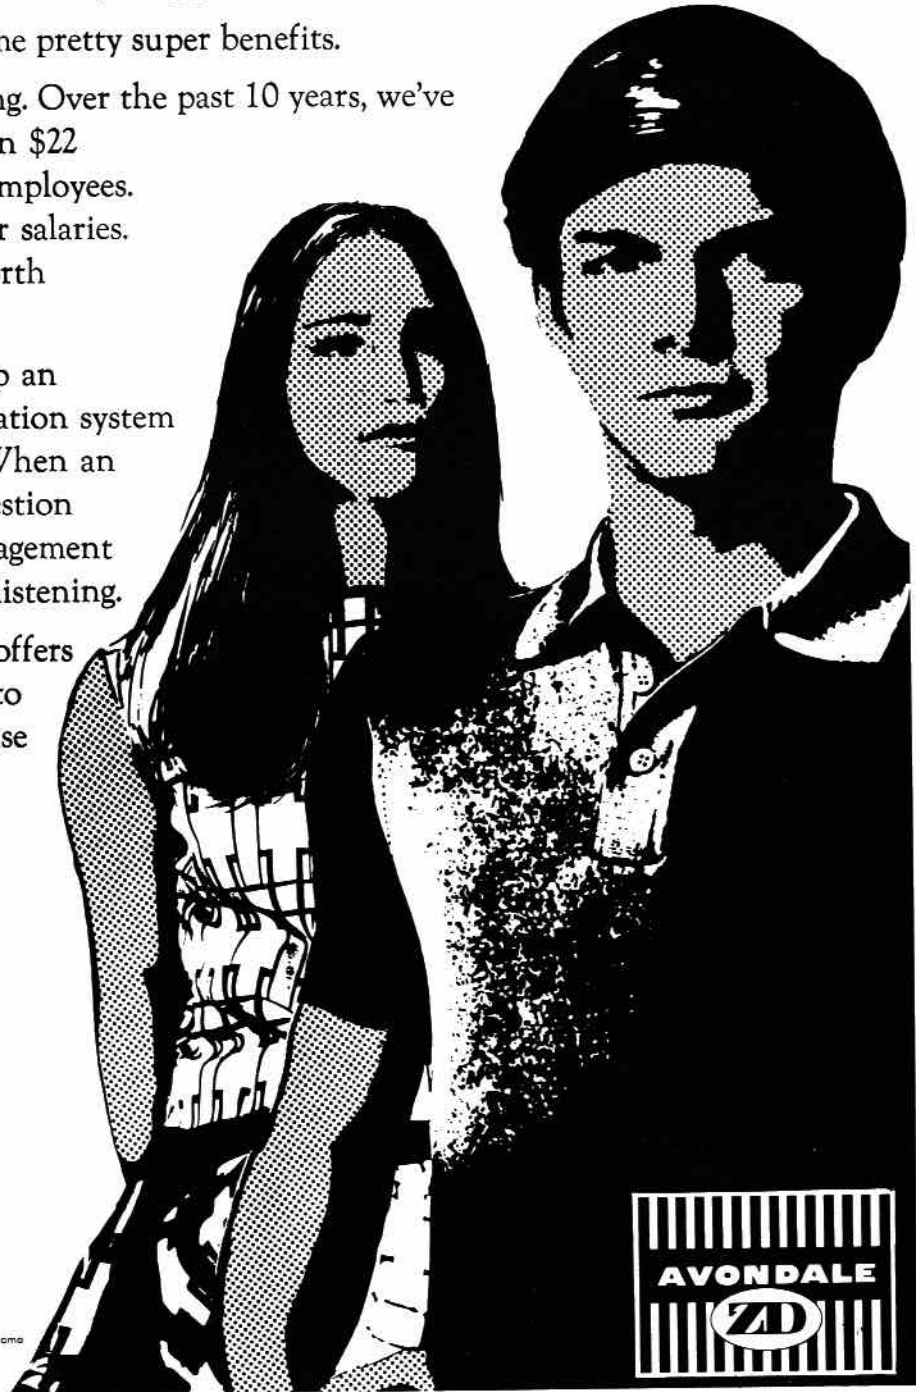

We stay on top of what's new and exciting. And we think young. So there's always a place with us for a young person who wants to go somewhere.

And we offer some pretty super benefits.

Like profit sharing. Over the past 10 years, we've distributed more than \$22 million among our employees. Over and above their salaries. That's something worth thinking about.

And we've set up an employee communication system that really works. When an employee has a suggestion or a complaint, management does some serious listening.

Avondale Mills offers great opportunities to young people. Because we think young. Like you.
