DEDICATED TO

MRS. RUBY THOMAS

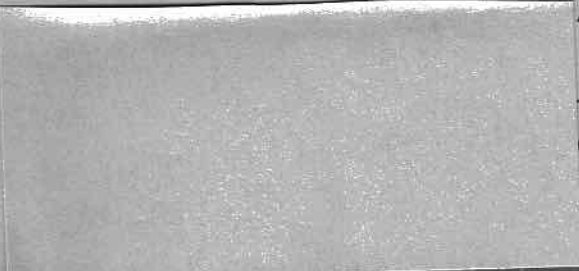

We proudly dedicate the 1980 anniversary edition of the *PANTHER TALES* to a grand lady who has dedicated her teaching years to Stevenson High School and its students. Our yearbook photographers always like to snap photos in the lab where "Miss Ruby" rules the roost. The lab, like its ruler, is always neat, orderly and interesting. One discerns quickly that this is a spot where learning takes place. Yet, "Aunt Ruby's" teaching is not limited to her classroom or to the regular school hours. She and her students may be found on a field trip almost anywhere in driving distance. And, while Mr. Russell waits patiently in the parking lot, she willingly stays after school to help with a student problem.

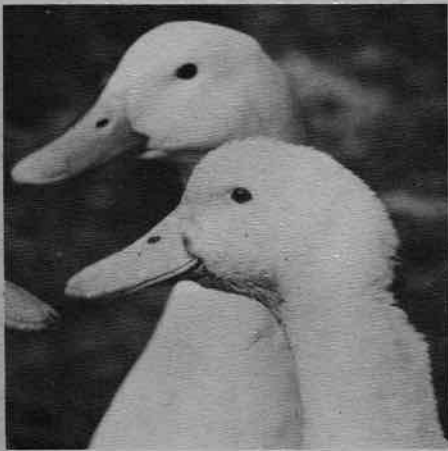

When former students are home from college, they usually drop by to tell Mrs. Thomas that they are doing well in college science courses. Her soft smile indicates that she is proud to learn of their success. They know that what they are thanking her for is more than "book larnin'." They appreciate the scholarly attitude and inquiring spirit that she has instilled in them.

Mrs. Thomas, we appreciate your work, and we hope that our work here meets your fine standards.

The first Stevenson High yearbook, *THE PANTHER*, rolled off the presses in 1930. The depression was at its height; gasoline cost 15 cents a gallon, and Stevenson High School graduated 18 seniors. They smiled proudly from the 36 pages of this first edition.

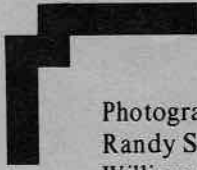

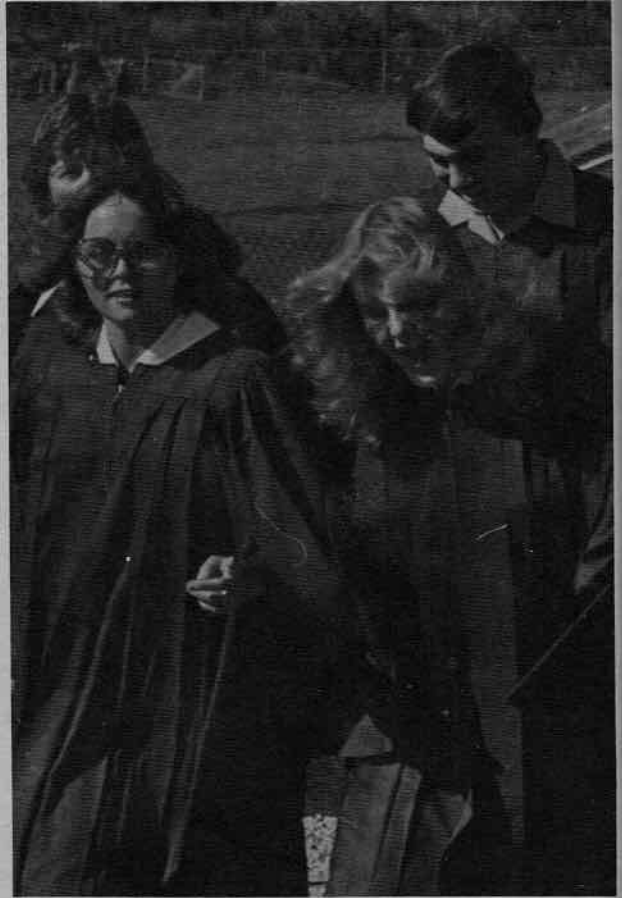

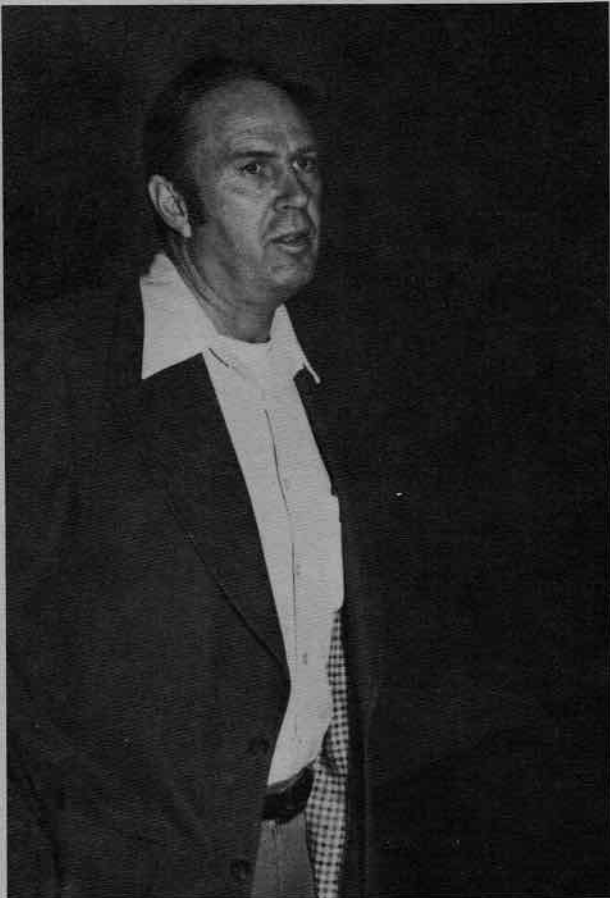

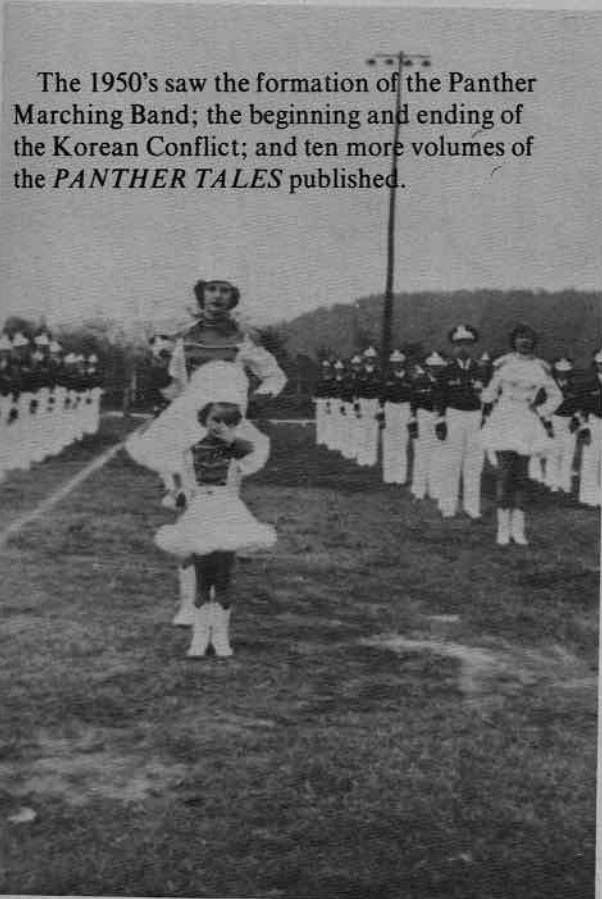

Volume One of THE PANTHER was followed by a Volume Two the next year. Volume Three did not appear until 1936; eleven years passed without another yearbook being printed. With a new name, Volume Four arrived in 1947.

The '60's were eventful years — national leaders were assassinated; Americans landed on the moon; and Stevenson High's yearbook added its first color section.

Lucy Tally and Frances Haney Loyd were two homecoming beauties in 1961, while Cynthia Mason reigned over Homecoming, 1979.

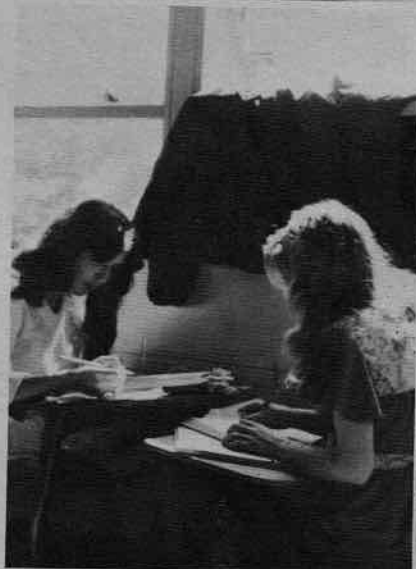

PANTHER TALES grew steadily, adding more pages and more color throughout the tumultuous seventies. They were years that saw the ending of the Vietnam Conflict, Richard Nixon's fall from power, and America celebrate her 200th birthday.

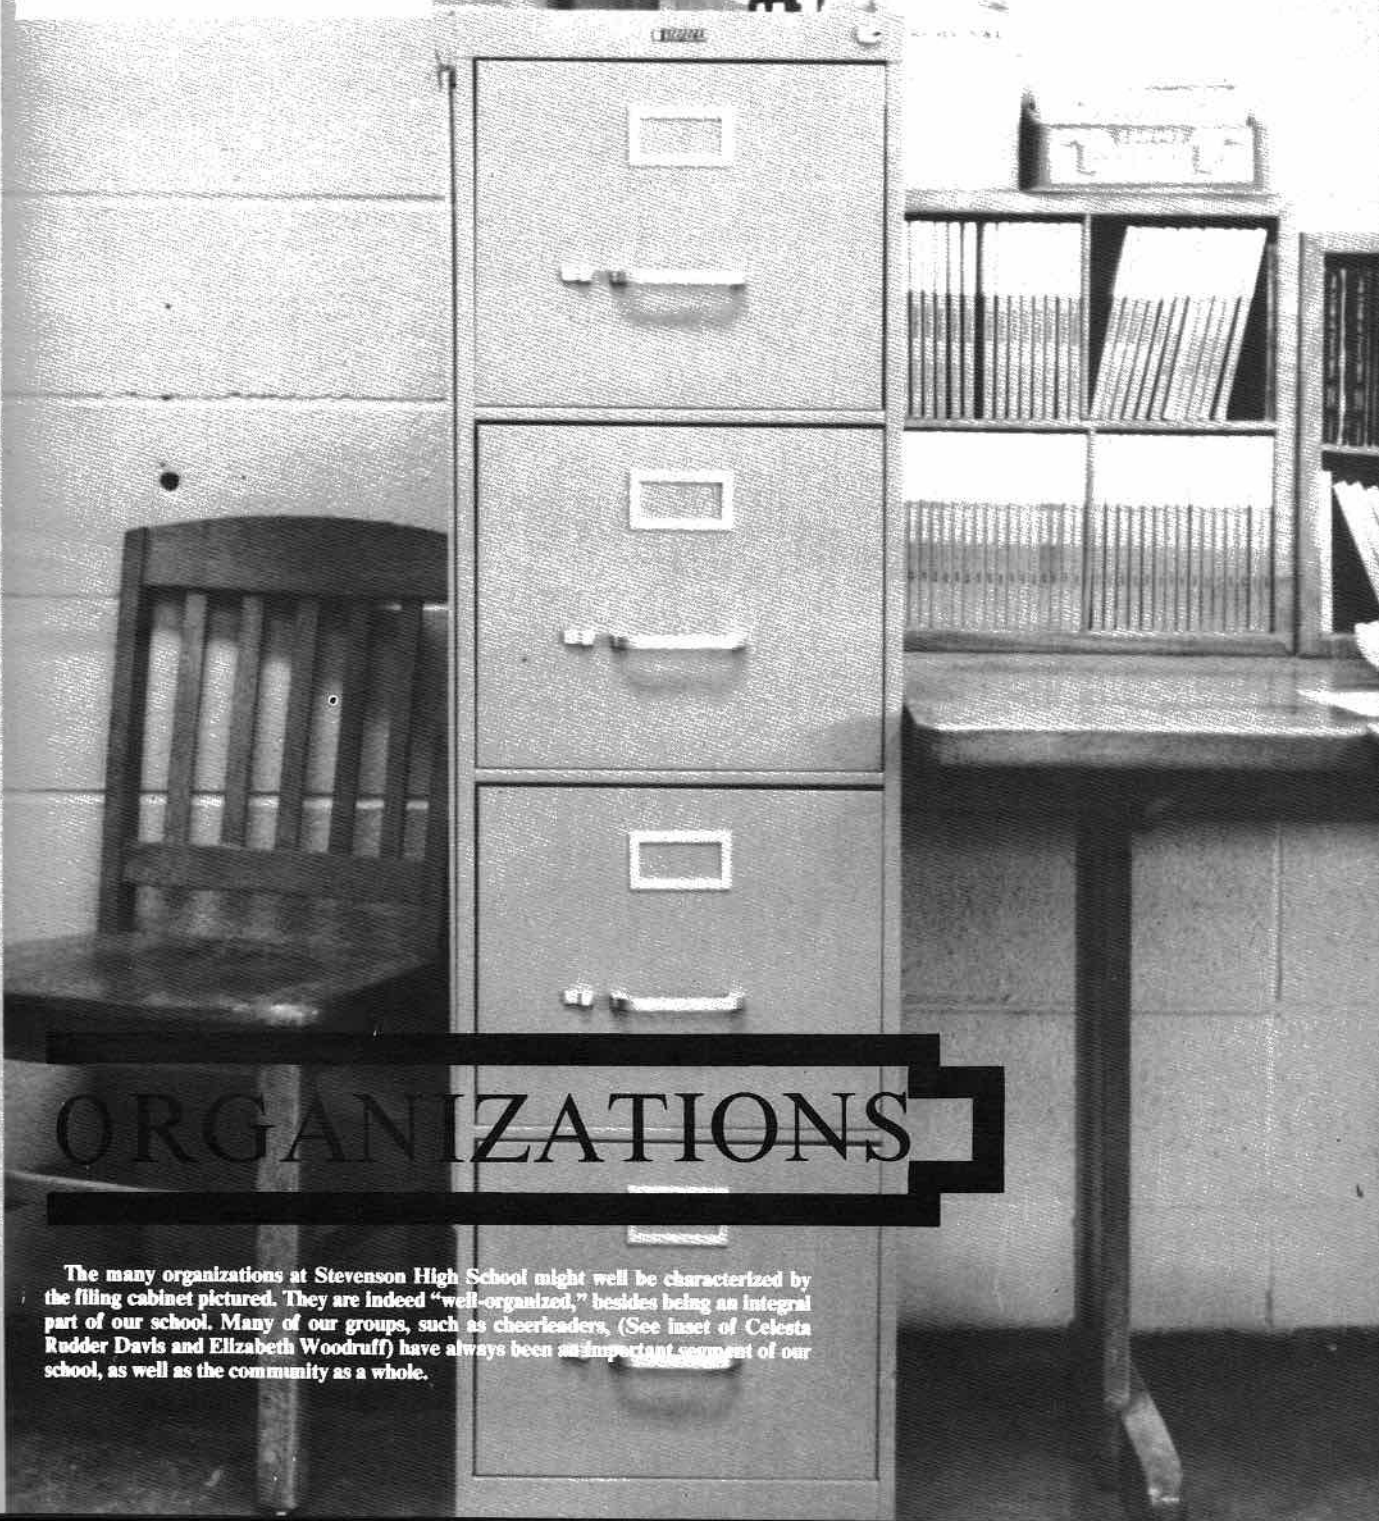

The 1974 Beta Club

Now in 1980 the Stevenson High School yearbook celebrates its birthday with this special anniversary edition.

ORGANIZATIONS

The many organizations at Stevenson High School might well be characterized by the filing cabinet pictured. They are indeed "well-organized," besides being an integral part of our school. Many of our groups, such as cheerleaders, (See inset of Celesta Rudder Davis and Elizabeth Woodruff) have always been an important segment of our school, as well as the community as a whole.

SENIORS

The receiving of class rings and the selecting of Who's Who are Senior Class rituals at S.H.S. The Class of 1961 wisely chose Joyce Grider and Carl David Mackey (inset) as their Best All Around pair. Time has honored this judgement. The Class of 1980 expects its choices, pictured in this section, to complement the pride that comes with Stevenson High School class rings.

Nestled in Sinking Cove against the Appalachian foothills outside Stevenson, the Victorian home of Mr. and Mrs. Jack W. Loyd, Jr. provided a scenic backdrop for the Senior Who's Who. McBride House was built in ~~1980~~ 1890 by Mr. and Mrs. W. C. McBride.

FACULTY

The *PANTHER TALES* Staff has chosen for the faculty division page, photographs of two of the faculty's best friends — the coffee pot and the clock. It seems that a good cup of coffee and the 2:40 bell are among the only things that can relieve the "shell-shocked" look on their faces at the end of a long, tiring day.

SPORTS

With two state championships to its credit, Stevenson Panther Football has rewritten the history of Jackson County sports. Although football has been the most attention — getting sport at SHS, other areas of athletics have grown and prospered. This year saw three other sports — basketball, track and baseball — get into state play-offs and win state titles.

"Rover" says it all. On December 7, 1979, the Panthers finished a perfect 14-0 season by defeating the Randolph County Tigers.

There were a few tight moments in the march to the State Championship. The 3-0 score over the Pisgah Eagles came on an impressive 47-yard field goal. The game with arch rivals at Bridgeport turned out to be the game which determined the Area 15 Championship. The Panther's 26-12 score told the story.

The play-off games pitted the Panthers against the Fyffe Red Devils, the Lexington Golden Bears, and the Parrish Tornadoes. The last hurdle was a four-hour drive away from Stevenson in Wedowee. The tough defensive ballgame ended with the Panthers on top, 9-0.

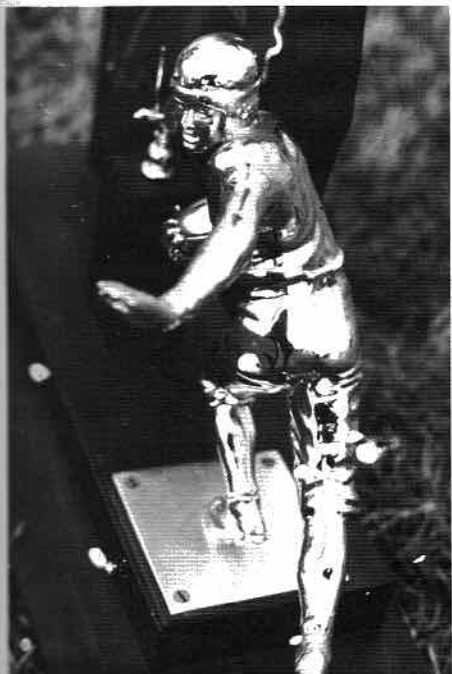

Panthers, we're proud of you for finishing an unblemished season and for bringing home the trophies once again!

Panther Track added still more trophies to the already full trophy case at S.H.S. Under the watchful eye of Coach Williamson, the team competed in many meets and usually against larger schools. This didn't seriously hinder the team, though. The girls won the Jackson County Championship while the boys came in third place. We also did well in the State Track meet at Troy State. Anita Rorex won the 880 yard run and came in second in the 1 mile run. Hope Nerche came in 4th place in the Jr. High Division High Jump and Cindy Phipps brought home another 4th place medal in the Jr. High Mile. The Jr. High Mile Relay team, composed of Hope Nerche, Cindy Phipps, Gina Hall and Susan Williams, placed 4th, also. Rhonda Kirk placed 6th in the Sr. High Shotput and Casey Bundy finished 6th in the Sr. High 2 Mile.

Girls' Volleyball, the youngest in the Panther pride of varsity athletics, grew and prospered in 1979. The two month season did not result in many wins, but those players returning in 1980 gained valuable experience. The 80's will bring trophies to the S.H.S. case if support and interest in Girls' Volleyball continues to grow.

Panther Sports tasted a new type of winning this year. The Varsity Boys claimed the Jackson County Tournament. They went on to win the Area 15 and Region 8 Tournaments and advance to the State Playoffs for the first time ever. Although we were beaten by an extremely large Autaugaville team in the first round, perhaps we merely gained experience for a successful return next year. The year's final scoreboard looked like this:

CLASSES

Although the past fifty years have brought many changes in our community, a lot of hard work and study still go into the getting of an education at SHS. Stevenson has long produced hard-working students such as Louise Gonce Knox (see inset), and will undoubtedly continue to do so for the next fifty years.

UNLAWFUL
TO ADVERTISE
ON STATE
RIGHT OF WAY

ADS

Ads. Little words mean a lot; for, without the support of area business, Stevenson High would not have a yearbook. Several business that placed ads in that first yearbook fifty years ago have done so again and again. New business and industry can usually be signed up as patrons, too. For this support of yearbook journalism, many *Panther Tales* staffs are grateful. The staff of 1980 joins them.

The latest thing in fabrics

could be you!

If you'd rather set the style than just follow it, you could be cut out for a career in textiles. Avondale is a leader in the industry, with 17 plants across the South and representatives around the world. When you're making those important career choices, we hope you'll consider textiles.

"This is not the end,
it is not even the beginning of the end,
but perhaps the end of the beginning."

Sir Winston Churchill
Statesman — Warrior
