Woodville High School
Woodville, Alabama

Alma Mater

On the city's southern border reared
against the sky, proudly stands our
Alma Mater as the years go by. Forward
ever, be our watchword; conquer and prevail.
Hail to thee our Alma Mater! Woodville
High, all hail!

Superintendent's Message

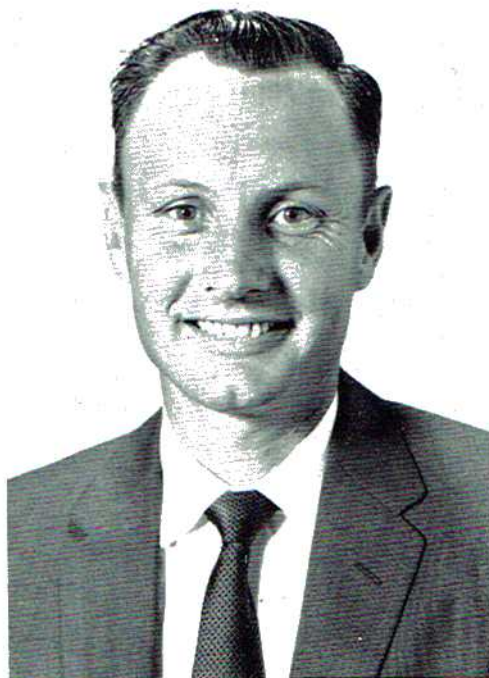

Greetings:

It is indeed a privilege to share with you, the Seniors of 1960, through the medium of this fine yearbook, the joy, happiness, and pride that is yours in having attained this coveted goal in your educational career. In reaching this goal you have demonstrated such characteristics as determination, co-operation, dependability, patience, moral courage, loyalty, and initiative that are so essential to success and happiness in life.

May you continue to demonstrate these traits in all future undertakings, and may your efforts be crowned with the same degree of success as your work in high school.

E. G. Thomas Sr.

Principal's Message

To you, the Senior Class of 1960, I offer my heartiest congratulations:

Though the last twelve years have seemed so long, you are about to reach the end of your journey, as far as your high school work is concerned. It is my sincere hope and desire that you have prepared yourselves well, and as you go from us, that you will look back upon your high school days with pleasure and satisfaction.

Some of you are college bound, others will seek jobs. If you do your best, you will always succeed. The type of vocation does not matter as long as it is an honorable one. You must strive to reach the top of the ladder. Be the best in your particular field; whether it be a doctor, lawyer, farmer, or whatever you choose. To be the best, you must continue to learn. Knowledge is the true currency of all time. This is something that cannot be taken from you.

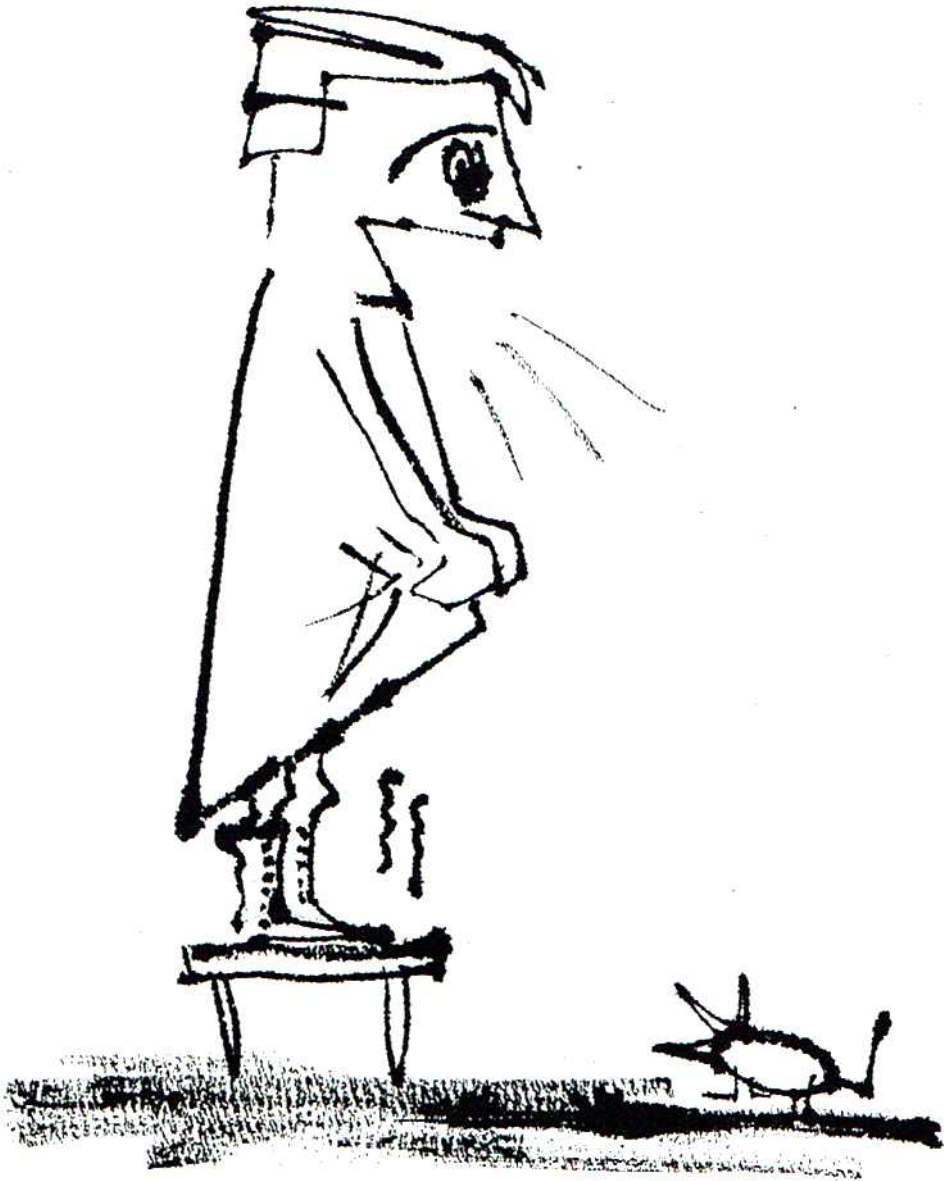

I wish you God's speed and the best of luck in whatever you choose to do.

Billy H. Rains

Prophecy

The sands of time have shifted and the year is 1970. In the passing parade we can see the graduating class of 1960.

"Look, " here come Cecil Arnold and Billy Beard. They are the owners of a chain of service stations and garages across the state.

Here are James Buckner and Roscoe Manning. They are pro-basketball players now playing with the Harlem Globetrotters. Behind them are the other students.

Jimmy Chapman and Raymond Latham are competing at the Indianapolis Speed-Way for the title of the world's number one dare-devil.

Mildred Elkins is the principal of a large New York high school and Shirley George is the school nurse.

Kenneth Pace and MacArthur Rousseau rank as Lieutenant Commanders in the Navy.

Mrs. Joyce ? and Mrs. Sue ? are the wives of Air Force officers stationed on Midway.

Wilburn Manning and Leon Miller are big game hunters in Africa, and their specialty is apes!

James C. Terry and Elbert Short are counter-spies for the government. They are working undercover in Russia.

Ray Pace and Mack Smith are the owners of a big gambling casino in Las Vegas.

Hollis West, Sam Jr. Wright, and Hulette Precise are waiting anxiously to see which of them will be chosen to make the first trip to the moon.

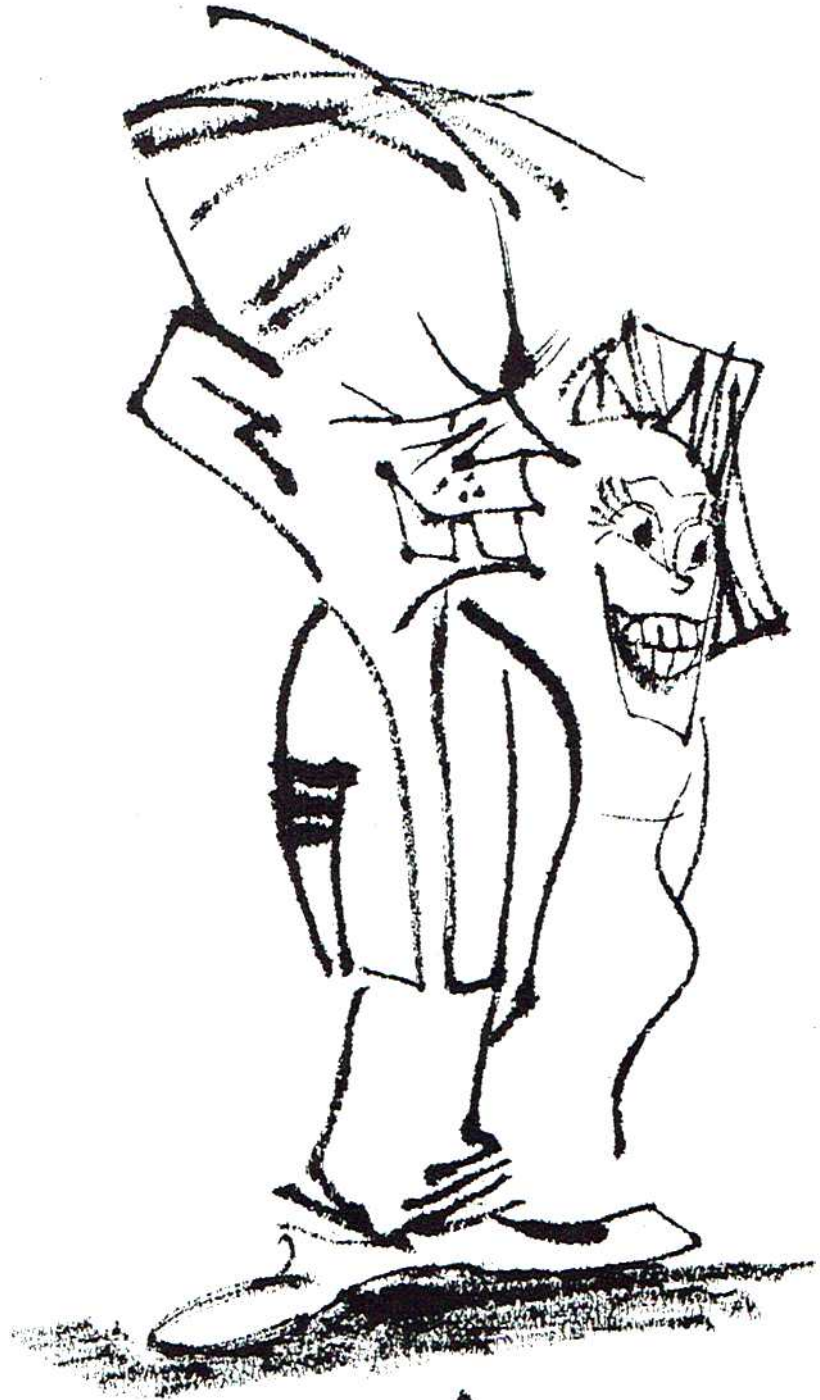

Mrs. Edith ? and Mrs. Ruby Buckner have been blessed with three sets of twins each in the last ten years.

Carolyn Butler and Eva Lou Kennamer are in the runoff for the first woman Governor of Alabama.

We, Bonnie S. Kennedy and Ann Tipton have graduated from the University of Hawaii and have that much desired profession of beach-combers on Waikiki Beach.
