Dedication

We the Seniors of 1978 wish to dedicate this yearbook to the future; to a time beyond the limits of imagination; to an era of science and technology never thought possible; and to a secure and prosperous way of life not yet within our grasp. We dedicate this yearbook to the future with eagerness and anticipation, dwelling not in the past, yet holding on to its memories.

Faculty

In Memory of

Mrs. Betty Sullivan

The Senior Class of Woodville High School wishes to pay tribute to the memory of Mrs. Betty Sullivan. She was a person whom everyone had learned to love through her loyal devotion and diligent work as a substitute teacher, P.T.O. secretary, and friend to all.

Though Betty is gone, we take comfort in the fact that each of us is a fuller, richer person from having known and loved her. We are indebted to her for passing our way.

CLASS OF '78 PROSPERS

It has been ten years since we last sang the ole Alma Mater of Woodville High. Most of us have settled down in an adult world full of frustration and anxiety, wishing again for younger and simpler days.

Being of curious mind and nature, I decided to seek out each of my classmates to find if they have been well treated by the wheel of fortune. I closed my hair styling salon for about two weeks, hoping I could find the whereabouts of twenty-nine people. I never figured my curiosity would take me as far as New York or Paris, but I did find a majority of my classmates prosperous and happy.

Quite a few of my friends still live in the Woodville area. Opal Foley is an auctioneer for the North Alabama Stockyard Barn. Brenda Wyatt owns a jewelry store in Peters Cove and Rita Brown lives a secluded life with her husband and family of sextuplets. Charles Collins developed a new explosive after he accidentally blew up his father's business. Rickey Womack builds race cars for Bobby Allison. Larry Cooper is a policeman at Grant, where he averages writing 250 reckless driving tickets per year.

Sandra Frost and Judy Little actually work together. Sandra is a reporter for Channel 19, while Judy co-hosts a kindergarten show. Jimmy Bingham plays the candy man on M&M television commercials.

In Scottsboro I found my friend Donna Venable, who is running a day care center. Bobby Parker owns a used car lot. He drives a different car home every day. Jackie Shelton gives classes at Northeast Junior College on cake decorating and cake baking. Believe it or not, Buster Busby is a safe cracker. I'm glad he's on the right side of the law. Leshia Stewart is postmaster at Limrock's new post office and Billy Pockrus owns a potato factory called Peel & Spud in North AL.

I found Jerry Maggart very successful in his job. He owns Maggart Trucks, a diesel mechanics firm. Renae Summers is an executive secretary for the Governor of Alabama. Cindy Prince deals in cosmetics. She has a new line of lip gloss called "Kiss Me Quick." Tina Johnson breeds Tennessee Walking Horses for shows.

Thomas Barron moved back to Tennessee where he recently was elevated to Editor of the Chattanooga News-Free Press. Bruce Holcomb is an active member of PMM (Put Men on Mars). Brenda Smith and Connie Warren are with the famous Dallas Cowgirls.

I caught James George on the telephone before his plane left for Las Vegas. He really enjoys his job as press manager for Aerosmith. Regina West is always on the go. She's an airline stewardess for Pan Am, flying all over the U.S. and Europe. Joan Precise is in the Air Force. She is presently stationed in Paris, France.

Becky Johnson's, Judy Bell's and Martha Kennamer's jobs are all interrelated. Becky is an art designer for McCall's Pattern Company. Judy designs clothing for her Company. Bellbottoms; and Martha is a well known model in New York City.

That was, and still is the Class of '78. I'm sure you will agree we've had a prosperous decade. Wonder what 1998 will bring? We'll see!

Johnny Hutchens

In Memory of

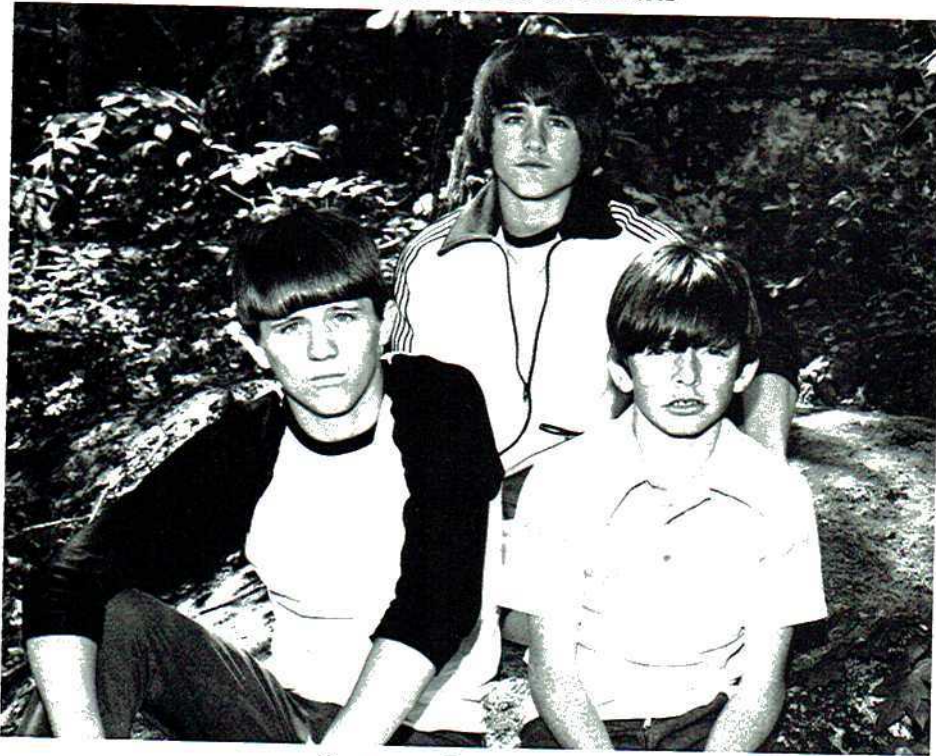

Tracy Baugh

Freshman excerpts

- . . . Tracy Was Sweet And Loved By All.
- . . . She was fun to be around and that made her special.
- . . . She never felt sorry for herself, and she never let anyone else feel sorry for her.
- . . . She always looked forward to the future.
- . . . I will always remember her throughout the years.
- . . . We will remember her by the little things she did.
- . . . I feel deep down inside that she is still here with us all.
- . . . To be so small, Tracy was strong in so many ways.
