The 1979 Panther Pays Tribute to Dr. James R. Pratt

Dr. Pratt has been our principal for the past seven years. We would like to say we will miss him, but we hope he will enjoy his new work. He must know that he is not through with the 1979 Senior Class or Woodville School. We will be calling him and asking for his help for a long time. Good luck, Dr. Pratt, in your new work!

In Memory of Thomas Kyle Edmonds

Tommy, a 1979 senior of Woodville High School, departed this life May 18, 1979.

The senior class and sponsors which to pay tribute to the memory of their fellow classmate, friend, and student. Although Tommy is gone, the memory of his pleasant smile, friendly manner, and kind ways will live on in the hearts and minds of each of us who knew him. To the family, we would like to say it is good to have known him. To have known Tommy was to love him. May each of us take comfort in the great memories we have of him.

Class of '79 Prospers

"For I looked into the future, far as human eye could see. Saw the Senior Class of '79, a decade yet to be."

Jennifer Hollaway has become the First Lady President and we found out that she followed her usual pattern of being late. She was late for her own inauguration. Patty Koeppel is now the coach of Woodville's Women Professional Basketball Team. Her players wear tennis shoes that won't wear out designed by Dennis McGaha. Terry Brown has started a zoo here in Woodville, and Jill Kennamer is our Postmistress. Also, Tommy Wright delivers the mail.

Judy Smith with her cheerleading ability has made her way to become one of the Dallas' Cowgirls. Paula Clemons is now a secretary for her husband, Anthony, who is the President of Goodyear.

Elaine Vest, a brain surgeon, has come up with a way to avoid surgery. She just takes the brain to the nearest service station for a tune up. Mark Vernon, who was a farmer in his senior year, has recently designed a new line of agricultural equipment.

Dwight Erby has become the owner of a United Department Store called "Dwight's." Sam Wynn owns the three Burger King Restaurants located in Aspel. Marty Pritchett drills oil in his backyard. Although he has tried 21 times, he says he's not discouraged.

Misty Lambert has contributed to the growth of Paint Rock with her nine children. Regina Sanders has started a chain of Super Service Stations known as S-S-S-&-S.

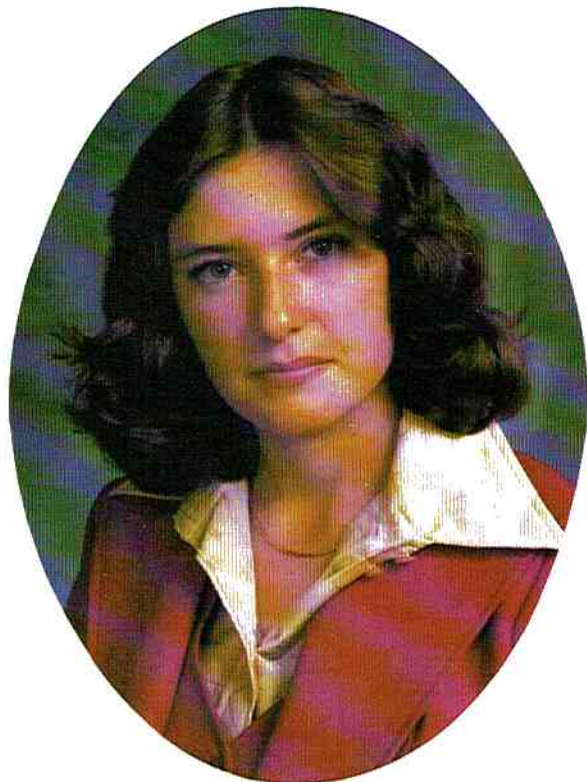

Kevin Tidwell is now Shiffman Cove's Mayor. Near Him, Tracy Powell has put in a family beauty shop, and his specialty is the "afro." Brenda White is still known for her trim figure, by not only her classmates, but by Hollywood, where she is a famous model.

Tommy Edmonds joined the army, and is now a four star general. Mark Mason, has married and moved to Texas. He and his wife, Miss Debbie, own one of the nation's largest cattle ranches. Steve Pockrus is now an English Professor at Auburn University.

Now back to my old neighborhood, Boxes Cove. Here, I, Donna Clements, put my artistic ability into use, and am a clothing designer for Macy's, which is now owned by Joey Manning.

Although it has been a great decade for all of us, I am sure it would be fun to go back to the greatest, Woodville High, and be a Senior again.

We, the 1979 Seniors of W.H.S., wish to dedicate the "1979 Pan-ther" to all future seniors of W.H.S.

We hope this book, showing our joys and our triumphs, along with our failures, will prove an inspiration to all of you. We hope that it will be an incentive for you to enjoy your years at Woodville and accomplish great things. When your graduation day comes, may you, as we, look back with fond memories, but stand proud to be a graduate of Woodville High School.

Dedication
