# FACULTY

IN APPRECIATION

The Senior Class would like to express their appreciation to Mrs. Virginia Smith for her loyal devotion and service to the students at Woodville School. She has spent 31 years in the classroom and many of these years she has served as a sponsor of the Senior Class and yearbook. She has taught commercial subjects, English, and social studies and all grades from seven through twelve.

We admire and appreciate her quiet and calm manner in dealing with all situations. She is a lovely lady, and we will miss her, but we wish for her many happy years of retirement.

Sincerely,  
The 1983 Senior Class of Woodville High School
