DEDICATION

The Senior Class of 1985 would like to dedicate the "Panther" yearbook to Mrs. Faye H. Cook, an English teacher at Woodville High School. We, the Senior Class, would like to thank her for her understanding, as well as her patience, throughout our high school years. It is with great pride that we will look back on our last year at Woodville High School, and we credit much of this to you, Mrs. Cook.

Sincerely,
Senior Class of 1985

IN APPRECIATION

The Senior Class of Woodville High School would like to express their grateful appreciation to Miss Virginia Skelton for her loyal devotion and service to the Senior Class. She has been very patient and understanding throughout our Senior year. Thanks so much for all you have done.

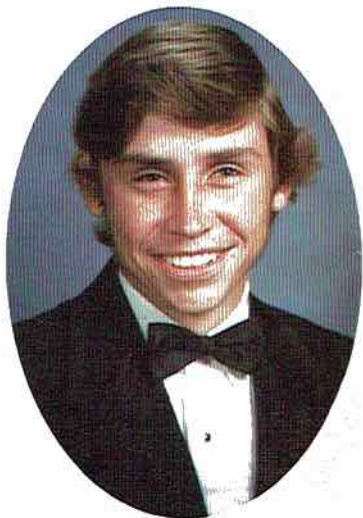

Sincerely,
Senior Class of 1985

RECEIVING DIPLOMAS

SENIORS OF 1985

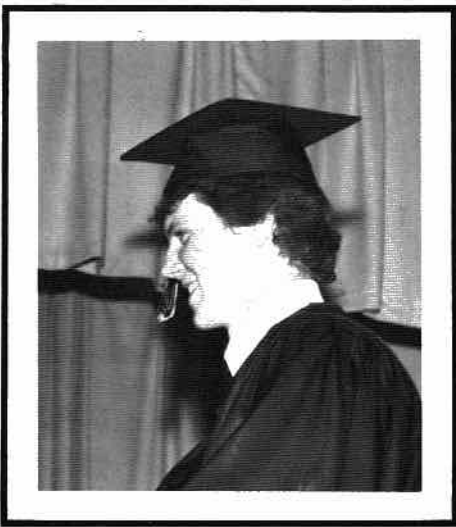

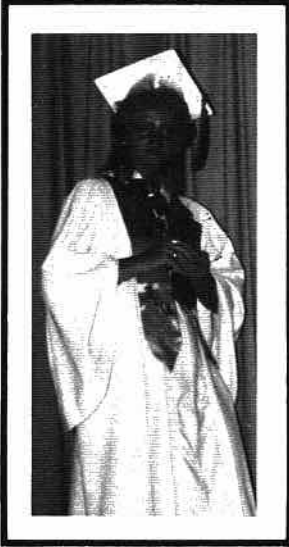

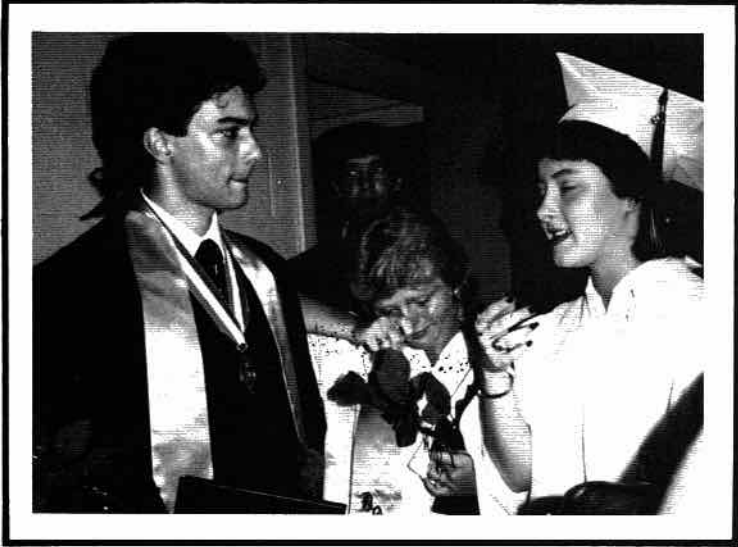

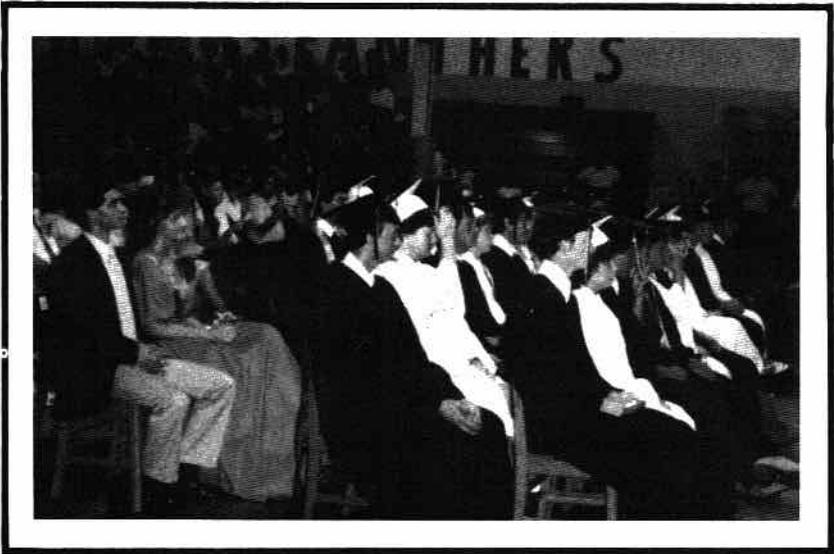

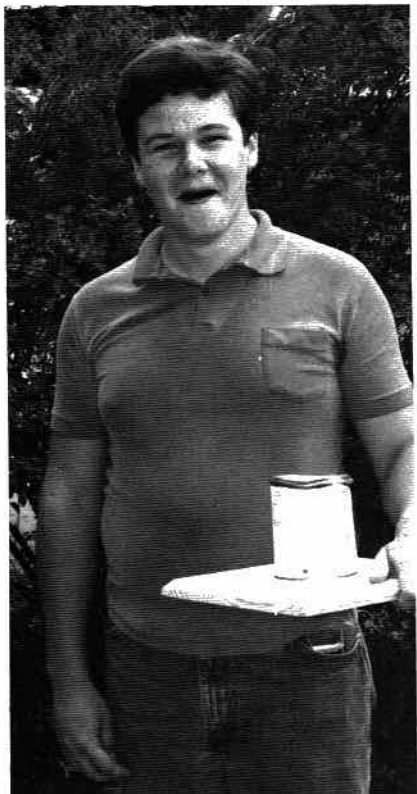

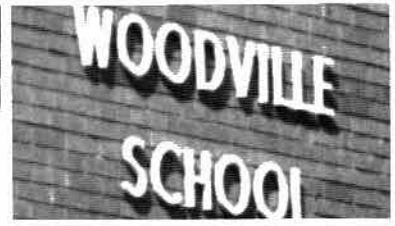

As we look back on our past twelve years, we recall our anxious desire to get out of school. We're still ready to go but only because the pathway to a successful life has been laid for us. We feel ready to leave our first institution of learning and move on to bigger and better things; college for some, jobs for others, and a few to the Armed Services.

There are still many challenges to be met, many impossibilities to be made possible, many seeds to be sown, and many goals to be attained. Hopefully, the class of 1985 will accept the challenges and attain their goals. Many of us ask "What is Graduation?" Graduation is a time for you to congratulate your son, daughter, niece, nephew, or just a good friend, but it is a time for the graduate to meet the real world and what lies ahead.
